## 7 Week 2 School Board Posts In Madison

Filing Period Ends;  
No New Candidates  
In GC and Venice

Five candidates will oppose the two incumbent members of the Madison school board in the approaching April 13 school elections, while three regular board memberships subject to election in the Granite City school district this year will be sought by seven candidates, two of them incumbents.

Filing period for the school elections ended at noon Saturday, with three additional candidates entering the Madison 12 contest Friday afternoon and Saturday morning. There were no additional filings in Granite City District 9 or in Venice District 3 prior to the deadline.

In Venice, three incumbent school board members who have petitions of candidacy for re-election have no opposition, but two candidates are in the field for one two-year unexpired term.

An eighth candidate will be on the Granite City ballot, but he is seeking a one-year unexpired term without opposition and therefore will be elected by default.

**Enter Madison Contest**  
Entering the Madison race during the weekend are Charles H. Johnson, 811 Webster street, who filed his petitions Friday afternoon; William L. Gush, 1671 Fourth street, and Henry P. Scott, 1334 Third street.

Earlier Madison filings included Thomas E. Watson, 922 Reynolds street, a leader of a white parents group that played a part in racial differences at the Madison high school last November when a boycott by Negro pupils was followed by a boycott of white pupils.

Filing last week was Rev. Lonnie C. Calmes, 407 Subl street, Madison, who is backed by the Madison Chapter of the NAACP that also was involved in last November's racial strife at the high school. At that time Mrs. Thomas Weston, president of the NAACP group, announced that the NAACP would seek Negro representation on the Madison school board in the next election.

Johnson is the only Negro candidate in the field of seven candidates, but Mrs. Weston said today that he had made no bid thus far for NAACP support and that at the time Rev. Calmes is the only candidate with a local organization backing.

**Two Posts Open**  
Two regular three-year terms are open to election on the Madison board this year. The incumbent members, Oel Blumentstock who now is board president, and Frank Deane, were the first to file petitions when the school filing period opened in February.

Watson said today that he has no alignments with any other candidates, although it was reported earlier that Watson and Rev. Calmes may comprise an unofficial coalition ticket with the combined support of both white and Negro voters.

Mrs. Weston also denied any such coalition arrangements. In the Granite City school district elections, incumbents Donald W. Stucke, 1613 Clark street, and George E. Moore, 1929 St. Clair street, were urban members, have filed for re-election. Royce Timmons, whose term also expires this year, did not file.

Other candidates in the Granite City race include Morris W. Miles, 118 Kinder lane, as a rural member; Harold W. Davis, Rural Route Two, rural member; Henry J. Beadle, 4732 Vincent avenue, rural member; Andrew Gitchoff, 2569

## Finance Group Studying School Tax Needs in GC

A finance subcommittee has been formed and is expected to hold its second meeting this week on Granite City school district tax referendum needs.

The committee is composed of Glenn Abernethy, John Hancock Insurance Co. manager, and a former school board member; Robert Francis, a local attorney; and Harry Lane, a guidance counselor and golf coach at Granite City high school.

The finance group has been asked to evaluate the tax rate outlook in regard to the proposed construction of new school buildings. It will report back to Jon Mullen, a teacher, and Leo Konzen, an attorney, co-chairmen of a citizens' committee formed to study school needs.

As soon as financial projections are complete, a steering committee which met last month is to be called back into session. Its conclusions subsequently are to be presented to the school board.

## Sanitary Sewer Work Starts In North Granite

Construction was started this morning on the sanitary sewer system to serve the North Granite and other scattered sections of Granite City.

Work crews of the successful bidder, General Contracting Co., began at 8 a.m. with main line installation at the north end of Circle drive where there now is a trunk line that serves the A. O. Smith Corp. plant.

The first truckload of 12-inch vitrified clay sewer pipe for the project was delivered to the job site this morning, in time for the start of construction.

Sanitary sewer lines are to be installed throughout the North Granite area and in sections of West Granite and the Nameki area not now served by sanitary sewers.

**\$192,904 Bid**  
General Contracting Co. submitted the low bid of \$192,904 for construction of the sanitary sewer lines which will be financed through a \$150,000 revenue bond issue sold recently by the city.

The project also was financed by a \$1,500,000 federal grant. Overall cost of the sanitary sewer project has been estimated at \$554,000. Householders will pay a tap-on fee and a monthly rental charge of \$2.50.

City council members are to decide tonight if the April 1 bid opening date for a \$3,000,000 storm water sewer project is to stand. Contractors have requested a two-week extension for April 15. The council recently sold a \$1,855,000 general obligation bond issue to finance the project.

**Storm Sewers**  
The storm sewers, initial phase of an overall city plan, are to serve the older sections of the city where there are combinations sanitary-storm water sewers.

## School Taxing Rates Up For 1967

Delay Extension of GC  
City Rate Due to Bond  
Ordinance, Clerk Says

(Chart on page 3)

New 1967 tax rates of all three school districts in the Quad-city area have been increased, but rates of two municipalities and both area park districts dropped below those of last year, according to new rate extensions announced by the Madison clerk's office for all taxing agencies in the area, except one.

The one exception is the rate for the city of Granite City. The office of Miss Eulalia Hotz, county clerk, said the Granite City corporate rate cannot be extended until the city or the state's attorney's office clarifies questions involving the \$1.9 million sewer bond ordinance adopted in January.

In addition to new tax rates on which tax bills will be based for the 1967 year and collected this summer, Miss Hotz's office announced new assessment computations showing stable gains in valuations for every township and taxing area in the Quad-city area except those in Venice township.

**Overall Rates Up**  
New township tax rates also declined in all four townships of the Quad-city area, except Madison. The Madison City rate, made up of groups of taxing agencies affecting the bulk of the taxpaying show increases in each instance.

Largest rate increase among area school districts is that of Venice school District 3 which has a new rate of \$2.23, up 13.7 cents per \$100 assessed valuation over the 1966 tax rate of \$2.06.

The Madison District 12 rate has been set at \$2.485 per \$100 assessed valuation, an increase of 7.7 cents over the \$2.408 rate on which taxes were collected last year.

In Granite City School District 9, a new rate of \$2.75 has been extended, up 3.7 cents over the 1966 rate of \$2.68. While the Granite City rate shows the smallest increase of any in the area, it will be billed for collection against a substantially increased rate.

**School Assessments Rise**  
Miss Hotz's office said the assessed valuation of District 12 for 1967 tax year has been set at \$212,173,946, increased \$10,907,789 over the 1966 valuation of \$201,266,157.

Valuation of the Madison school district was raised slightly from \$207,874,741 to \$210,921,517, while that of Venice District 3 declined from \$447,663,828 last year to \$433,115,472 for 1967.

New extensions include a rate of \$1.063 per \$100 valuation for the city of Madison, down 6.4 cents from the 1966 rate of \$1.069. The Venice city rate for 1967 is 99.4 cents, down 3.8 cents from the \$1.032 rate on which taxes were collected last year.

Rate decreases also were shown for Granite City park district, set at 17.1 cents compared to 18.6 cents last year, and the Venice park district, fixed at 20.5 cents per \$100 valuation for tax collections this year, down 2.1 cents from last year's 22.6 cents.

Granite City township rate, which was announced earlier, was \$1.063 per \$100 valuation.

**ACCIDENT ODDITY** is dual injury of two first-grade pupils at Harris school, Madison. Morris Bryant (left) and John Findley, sitting beside his desk at right. Both boys are six years old, both sit at adjoining desks, and both suffered fractured left legs when they were struck by vehicles. Both were injured within one week. The youngsters display leg casts as teacher, Mrs. Jeanette Morris of Granite City, stands by John's desk which holds boy's crutches.

## 2 Harris School 1st Graders With Casts Sit Side-by-Side

Two first-grade pupils in the same room at Harris school have much in common.

Both have been wearing casts on their left legs for fractures received when they were struck by vehicles. Both were injured within a week. They sit at adjoining desks in the room of Mrs. Jeanette Morris at Harris school in Madison. Both are six years old.

The youngsters are Morris Bryant, son of Mr. and Mrs. Floyd Kilmer, 2038 Edwards-truck road, who was struck by a vehicle on Edwards-truck road Feb. 16, and John Findley, son of Mr. and Mrs. Charles Findley, 137 Garesche Homes, who was struck by an auto in Madison Feb. 10.

**Rink to Close Sunday;  
Extra Session Friday**

Wilson Park's ice skating facility will conclude its initial season of operation Sunday, March 31, according to Harold Brown, park superintendent, who said a total of 61,684 individual skaters had used the rink through Saturday.

Brown said an afternoon skating period will be added to this Friday's schedule when public schools are closed. The extra session will be from 12:30 to 3 p.m.

Normal operating schedules will be followed for the remainder of the season, with the rink opened to skaters from 3 to 5:30 p.m.; 5:30 to 8 p.m.; and from 8 to 10:30 p.m.

Sunday hours for youngsters will be from 1 to 3:30 p.m.; 3:30 to 5 p.m.; and adult skaters may use the rink for the final session from 8:30 to 11 p.m. Sunday.

Brown said the park district will honor unused tickets, which have been placed in book form, next season.

was struck by an auto in Madison Feb. 10.

Young Findley was to have his cast removed during the weekend but Morris will wear his another three weeks.

The coincidence of two accident victims in the same school brought from Porter Cawly, principal, a request for more caution by motorists. Cawly said four pupils of the school have been injured so far this year and that in each instance the youngsters were crossing the street when they were hit by vehicles. One of the youngsters was injured fatally.

Cawly urged that pupils be instructed by their parents to cross at the corners instead of the middle of the block, and noted that parents are frequent victims of this rule. He said many parents who call for youngsters at school wait on the opposite side of the street away from street corners, requiring the child to cross midway in the block.

## Edison Avenue Two-Way Vote Is Due Tonight

Granite City council members will pick up tonight where they left off last Monday night when the council session went into two-way traffic in the 1800 and 1900 blocks of Edison avenue.

Action on the proposal for two-way traffic for two blocks of the downtown street was deferred last week after being placed on first reading at the March 4 session.

The vote at the March 4 meeting was 11-5 for first reading of the amendment to the one-way street ordinance. On a suspension of rules vote, the count had been 9-7.

The proposal is for two-way traffic to be given a try-out.

Council members are to hear first reading of the amendment to the one-way street ordinance. The band and orchestra committee was left over from last week, before proceeding with a regular meeting.

In recent months, the council procedure of meeting on Tuesday evening if business is not finished on a Monday night has not been used. Last Tuesday night, only five aldermen, the mayor and clerk were on hand to conduct the carry-over meeting. They waited eight hours for a quorum, that failed to develop, and then adjourned until this evening.

Traffic Mishaps

Traffic mishaps in and near the Quad-cities over the week-end resulted in injuries suffered by 12 persons in eight of 20 crashes reported.

**Train-Auto Crash**  
Sam L. Dillard, 36, East Alton, suffered severe injuries in an auto-train crash at the 25th street railroad crossing at 2:50 p.m. Saturday. Rushed by ambulance to St. Elizabeth Hospital, he was transferred to Larkin Desloge Hospital, St. Louis.

Dillard was driving west across the tracks after waiting for a northbound train to clear the crossing. A southbound Chicago & Eastern Illinois train which had been hidden by the other train then hit the right side of the car.

The auto was thrown against and sheared off a standard that held faster warning lights. The car was extensively damaged. A witness and the C&E train crew said the auto passed over the crossing at 2:50 p.m. Saturday. The northbound train moved out of its path.

The diesel engine was operated by John Norris, 519 Fleming street, Mitchell, and was crossing the tracks at T. P. Waggoner, Collinsville.

Dillard is in critical condition today.

Two injured women motorists were slightly injured and badly shaken up by a collision of their autos in the 270 near Chamber road in Missouri at 2:15 p.m. Saturday.

Mrs. Patricia McGee, 35, of 18 Melrose drive, Arlington Heights, was admitted to St. Elizabeth Hospital with nausea and a neck injury. She was released yesterday and is recuperating at her home.

Mrs. McGee had slowed for a line of traffic. Pam Bowles, No. 9 Melvin drive, Arlington Heights, was unable to stop in time and the front of her car struck the rear of the McGee auto.

Steve Barzoff, 57, of 2632 Center street, and his wife, Ann, were given X-ray at St. Elizabeth Hospital last night for injuries sustained when their car was struck by a Collinsville motorist whose auto had side-swiped another car and then hit their car at the viaduct at the Veterans Bridge in East St. Louis. The Barzoffs suffered neck, shoulder and knee injuries.

R. Miller, 45, of 137 Trockle lane, suffered minor injuries at 4:15 a.m. Friday when her car and an Illinois Terminal train collided in the 1300 block of State street in Madison, according to a report by Madison police. Officers said the woman refused medical attention. Her car, headed

# Search of Tavern Customers Nets 3 Pistols, 2 Knives

Responding to reports that an increasing number of patrons have begun carrying weapons, Venice police visited a club and four taverns Friday night and netted three pistols and two illegal knives.

A charge of carrying a concealed .22-caliber pistol was lodged against James Rogers, 25, of 1229 Logan street, Venice, who was arrested in the Garrett liquor store, Douglas, and Weaver streets, at 9:30 p.m. Friday. He was released the next morning to return for a hearing on April 10.

Also located during the police survey were another .22-caliber gun, a .38-caliber pistol and two knives with long blades. These weapons were found on the floor as customers were searched in the dimly lit establishments.

The tour included the Show Boat tavern, Robert's Tavern, American Legion Post 759 and the Eldorado Lounge.

**\$13 Million Payroll**

The A. O. Smith plant here has an annual payroll of about \$13 million and a plant investment of from \$12 to \$13 million.

Removal of the plant from Granite City also would result in a payroll reduction of \$5 to \$7 million a year at Granite City Steel Co., which supplies about 10% of its production to A. O. Smith for manufacture of auto frames.

Union members voted 506 to accept the proposed contract to 240 for rejection. The vote was taken by secret ballot.

Negotiators reached agreement Friday afternoon in mediation sessions arranged after A. O. Smith officials and Quad-City city leaders and public officials met in Milwaukee last week with top company officials to outline the economic impact removal of the plant would have on the community.

At that time company officials agreed to further conferences with the union.

**Economic Status Involved**  
However, company officials also pointed out that removal of the plant by a company management committee was not based entirely upon the strike but had resulted from a review of the plant's economic status during the 13 years of operation in Granite City.

Negotiations between the company and union were renewed last Thursday and continued through Friday when the agreement was reached.

Flare "Bill" Warfield, president and business representative of the union, immediately called the special membership meeting for Saturday morning in the high school cafeteria.

A dissatisfied crowd of about 900 members attended. Ten to 15 members walked out of the meeting about 10:30 a.m.

Warfield introduced Mayors Donald Pittney, John E. Lee and Stephen Maers. There were booing and other shouts remarks about a completely closed meeting. Warfield pointed out the services of the mayors and other civic leaders, and said they had been invited. He commented that the local union was not ashamed of anything that had occurred.

There were numerous complaints about seniority and job security. Employees will be told "bums" other than only on "permanent" work. The company will be able to select personnel on "temporary" work.

## BULLETIN

Directors of A. O. Smith Corp. still were in session shortly after noon today, the Press-Record was informed in a telephone conversation with company officials at Milwaukee.

Future of the Granite City plant of A. O. Smith Corp. was to be determined today in a special meeting of the company's board of directors which still was in session at noon today in Milwaukee.

Announcement of the board's decision — whether the company operations will be moved elsewhere, or remain in Granite City — is expected immediately after adjournment of the board session.

Company officials said the board was notified of the settlement Saturday of the 83-day strike of 1200 members of Boilermakers Union Local 575 which has caused a plant shutdown since Jan. 1.

A company contract proposal was accepted by a membership vote in the Granite City high school Saturday morning after union and company negotiators agreed to contract terms in meetings that also were attended by representatives of a Citizens Committee which sought to persuade the firm to keep its auto frames operation in Granite City.

Removal of the plant from Granite City also would result in a payroll reduction of \$5 to \$7 million a year at Granite City Steel Co., which supplies about 10% of its production to A. O. Smith for manufacture of auto frames.

## Farmers Give 180 Hogs to Aid Poor

Farmers of the National Farmers Organization in Madison county donated 180 hogs which were sent by truck to the Missouri State Penitentiary in Jefferson City for processing and distribution to the poor in the St. Louis area.

Erwin Wein of the NFO said the hogs averaged 235 pounds each and the estimated value to farmers was set at \$800. Estimated value of the processed meat was listed at \$14,000.

Wein said the hogs were gathered at a point outside St. Jacob Friday night and sent to Missouri after the NFO had tried to give the animals to the St. Clair County Economic Opportunity Commission. Packers in that area had not offered to process the meat.

Earlier last week, the NFO killed and buried about 100 hogs near Highland to publicize the low price being given farmers for pork.

Wein said none of the meat can be brought to Illinois because of regulations.

"There are several organizations here who would like to have some of the meat," Wein said, "but so far we have found no facilities for slaughtering."

## SCHOOL TAXING

is 6.3 cents, down 4.9 cents from the 1966 rate of 11.2 cents. In Venice township the township rate dropped slightly from 13.6 cents last year to 12.8 cents, while in Nameoki township the rate declined by 4.9 cents from 26.4 cents for 1966 to 21.5 cents for 1967.

The county rate, which is applicable for tax collection purposes in all taxing areas throughout the county, jumped 5.9 cents from last year's 29.8 cents to 35.7 cents. The road and bridge tax rate in Nameoki township was almost unchanged at 26.5 cents for 1967. Last year it was only .1 of one cent higher at 26.7 cents.

But in Chouteau township the road and bridge rate increased from 20.5 cents last year to 26.5 cents for 1967. The Mitchell fire district in Chouteau township has the same tax rate of 12.5 cents for 1967 as it had for 1966.

The tax rate for the East Side Levee and Sanitary district, which is applied to the assessed valuation in all four Quad-City townships, has not yet been determined by St. Clair county tax officials. As a result Miss Hotz expects to extend last year's final rate of 41.5 cents if the St. Clair county extension is not made by the time Miss Hotz's office is ready to complete the Quad-City tax books.

**Use Old Levee Rate**

The rate of the previous year has been extended for the levee district in Madison county for the past four years because of delay of St. Clair county in completing its extensions. Last year Madison county used a rate of 42.4 cents for the levee district. This rate actually was the 1965 tax rate as determined by St. Clair county.

Madison county city taxpayers pay taxes to five taxing agencies: the city, county, township, park district, school district and the levee district. Last year the city corporate rate was 65.9 cents per \$100 assessed valuation.

By using this same rate for the purpose of computing the city's overall rate for the year, the overall rate for the city of Madison is computed for 1967 at \$4.45, which is 11.5 cents higher than last year's overall rate of \$4.37. The overall rate in Madison includes the combined rates of the city, county, township, road and bridge, school district 12 and the levee district.

**Venice Shows Increase**

The overall rate for taxpayers in the city of Venice, which includes the city, school district, road and bridge, county and levee district, is \$4.59 per \$100 assessed valuation, up 12.1 cents over last year's total of \$4.28.

Taxpayers in the Pontoon Beach area, which still has no tax levy for the village of Pontoon Beach, totals \$4.049. These totals include School District 9 with its \$2.799 rate. Other agencies in the Pontoon Beach area include the Long Lake fire district, the town rate and road township, the county and the levee district.

Combined rates paid by most of the taxpayers in Nameoki township is \$3.961 compared to \$3.921 last year, while in Chouteau township combined rates of six taxing agencies covering most taxpayers total \$3.982, up 13.8 cents per \$100 valuation over last year's overall rate of \$3.844.

Kenneth Bezan, son of Mr. and Mrs. Thomas Bezan, 3145 Myrtle avenue, won the annual Knights of Columbus spelling bee Sunday afternoon at the local K. of C. club.

He is an eighth grade student at St. Margaret Mary's school and was coached by Sister Marie Monica and by his mother. His school received a new traveling trophy to be held one year.

## Seven Seek

State street, and Richard Roberts, 2860 Ralph street, both seeking urban memberships.

The only candidate for the one-year unexpired term in the Granite City district is Arthur L. Metcalf, 2718 Cayuga street, who now is serving as a board member by appointment. Terms of appointees expire under state law at the end of the year in which they serve and must be returned to full regular terms without opposition are L. E. Davinroy, 1229 Klein street; Elmer Taylor, 632 Broadway and Jack R. Tolliver, 1250 Klein street.

The board recently appointed Richard H. Bailey, 223 Hill street, Eagle Park Acres, to fill the board vacancy created by the death of John Gonterman a month ago. Bailey has filed for election to the remaining two years of the unexpired term, but he is opposed by Willie C. Johnson, 500 Third street.

A third candidate for the unexpired term, Hugh Hairston, 901 Main street, Venice, has withdrawn.

Candidates who have filed in three school elections of the Quad-City area have until tomorrow afternoon to withdraw if they wish to do so. After tomorrow's withdrawal deadline, preparation of ballots and other election arrangements will get under way.

The runnerup in a field of 12 students from the Quad-City parochial schools was Kenneth Klesh, son of Mr. and Mrs. John Klesh, 97 Riviera drive, an eighth grade student at St. Elizabeth school. He missed on the word "tenant" during a grueling final round.

The third place winner was Barbara Little, daughter of Mr. and Mrs. Douglas Little, 2732 State street. She is an eighth grade student at Sacred Heart school.

Bezan and Klesh were awarded personal plaques by the K. of C. council. And the first three winners were presented with Webster collegiate dictionaries by the Press-Record. The other contestants are to receive medallions. The awards were presented by Leo Portell, grand knight, and by Mr. E. Bartosik of the Press-Record.

The other contestants were Tina Perdue and Evelyn Wilson of St. Joseph's school, Carol Sasyk and Linda Billich of St. Mary's school, Linda A. Durer and Michael Dixon of St. Mark's school, Carol Frey of St. Elizabeth's school, Jean Richardson of Sacred Heart school and Richard Orr of St. Margaret Mary's school.

Bezan and Klesh will advance to the Madison County K. of C. spelling bee to be held at 7:30 p.m. April 26 at the Collinsville K. of C. home. The Little girl will be an alternate.

Serving as enunciator was Bro. Donald Ribbing, S.M., a seminarian studying at St. Louis University and a former Granite City resident.

Chairman of the event was Edward J. Evans, Judges were Miss Rosella Kinney a Niedringhaus school teacher; Grover Norwood, a teacher at Granite City high school, and Bartosik. Refreshments were served to about 200 persons.

## Urge Wheat Inspection Before Crop Plowed Up

Farmers who signed up in the 1968 wheat program are being urged not to destroy their wheat crop without prior approval, or they will lose their wheat program payment.

According to Lee Rogers, office manager of the Madison county Agricultural Stabilization and Conservation Service office, many farmers this year are concerned about wheat not coming up. This could be due to various reasons — waterkill, winterkill, freezing and thawing, late seeding, etc.

Rogers cautioned farmers that if they have signed up in the wheat program and now decide to plow up this wheat because it will not make a crop, they must come to the county office to make application for this change or they will lose wheat program payment.

He also urged farmers to make this request a week or two prior to when they intend to plow up the wheat ground, so the wheat can be inspected before it is disposed of.

After proper application is made and inspection is completed, the office will notify the farmer if it is approved. If it is, he will be eligible to receive the wheat payment for 1968.

## Daniel Houston, 74, Dies; Former ITR Supt.

Daniel W. Houston, 74, of 647 North Broad street, Fremont, Neb., a former Illinois Terminal Railroad superintendent in Granite City for many years, died following a heart attack and stroke at 10:30 a.m. yesterday in the Methodist Hospital at Omaha, Neb. He had been hospitalized 12 days.

Mr. Houston had resided most of his adult life in the local community prior to moving to Nebraska three years ago. He retired approximately ten years ago from Illinois Terminal Railroad, where he was employed as shop superintendent at the 14th street yards. He was a native of Decatur, Ill.

A world war I veteran, Mr. Houston was a member of the First United Presbyterian Church and Masonic Lodge 877, AF&M. His wife, Eva Maria, died Jan. 7, 1963.

He is survived by one son, Robert Houston of Fremont, and two grandchildren.

Funeral arrangements are given in today's obituary column.

## Salvation Army To Raze Small Office Building

Razing of the old office building located at the rear of the Salvation Army headquarters at 19th street and Grand avenue and purchase of a 12-passenger station wagon bus, replacing a school bus previously used, were approved Thursday by the Salvation Army advisory board.

Edward R. Stone, board chairman, presided at a business meeting held in the Rose Bowl restaurant. Thirteen board members and a guest, Madison Police Chief Emmett Piazzi, were present.

Stone announced that four bids had been received to raze the condemned office structure, with the contract awarded to the low bidder, the G. H. Sternberg & Co. contracting firm.

Approval was given for purchase of two-way emergency equipment costing \$249, with \$100 to be paid by the local SA unit and the balance provided by the Salvation Army Auxiliary of St. Louis.

Capt. Harold F. Thomas described the equipment which is used to coordinate emergency services for all Salvation Army units in the St. Louis area during disasters.

A. C. Stover, reported on the current building drive and board members authorized Stover and Capt. Thomas to investigate several areas for possible relocation of the Salvation Army headquarters.

It was decided to hold future board meetings on the third Monday of each month, with the exception of three meetings each year when a 6:30 p.m. dinner will be arranged for the third Tuesday.

A total of 169 individuals received assistance through the Salvation Army welfare program during January and February, Capt. Thomas said, with total income received for the same period amounting to \$3798 and expenditures totaling \$3018.

Volunteer personnel donated 185 hours of service, and 92 different activities were sponsored for groups of all ages, he said.

## License Charges Filed

200 persons were arrested at 1:05 p.m. Friday in the 2500 block of Lincoln avenue. William T. Leonard, 16, of 2529 Lincoln was charged with driving without a license and speeding, and Chris E. Leonard, 18, of 1561 Johnson road was charged with permitting an unauthorized motorist to drive.

\*Denotes last year's levee district tax rate. The 1967 rate has not yet been computed by St. Clair county tax officials.

\*\*Denotes last year's Granite City Corporate rate. County Clerk is unable to extend 1967 until status of city's \$1.9 million bond issue, passed in 1968 instead of 1967, is clarified.

The above rates are shown in such a way that they affect the majority of property owners in local areas. For taxpayers living within the boundaries of different governmental groups, the overall rates will vary accordingly.

Persons living within the Long Lake fire district should add 8.8 cents to other rates in the township to determine their local rate. Those in the Miracle Manor-Bellemeare Place lighting district should add 11 cents. In State Park Place, taxpayers of the lighting district should add 12.5 cents.

Venice township residents who live in the Granite City school district should apply that rate instead of the Venice school rate. In all cases the overall rate can be determined by adding the rates of governmental districts in which the taxpayer lives. The levee district rate is still subject to change in event the county clerk receives a new rate from St. Clair county.

The overall rates are applicable to each \$100 assessed valuation.

## Car Hits Flower Beds

Terry Lee Hettenhouse, 21, of 2256 Washington avenue was charged with careless driving after an accident at 1:15 a.m. Saturday in which his auto damaged flower beds on the lawn of the Larsen home, 2162 State street. An unidentified southbound auto in front of him had slowed suddenly and the front of the Hettenhouse car collided with it prior to going into the yard.

## Former GC Resident 35 Years Dies Suddenly

Mrs. Katherine L. Converse, 62, a former Granite City resident for 35 years, died suddenly Saturday morning following an apparent heart attack.

Mrs. Converse died at 8:30 a.m. Saturday in Normandy Osteopathic Hospital at Normandy, Mo., where she had been a patient one day.

Mrs. Converse was born in Kansas and moved to Granite City about 1910, living here until 1945 when she moved to Troy. She was staying at the home of a son, Richard Converse, Florissant, Mo., when she was stricken. Her husband, Frank E. Converse died in 1964.

In addition to Richard Converse, she is survived by two other sons, Ralph of Springfield, Ill., and Randall of Park Forest, Ill., one brother, Carl Ruhl of Granite City, and three grandchildren.

Funeral arrangements are given in today's obituary column.

## Landis Improving After Accident at Crossing

Raymond Landis, 2733 Ralph street, seriously hurt when his auto was struck by a train at the Maryville road railroad crossing early March 16, is in improved condition at St. Elizabeth Hospital.

Theft of a shotgun and a set of golf clubs from the wrecked auto is believed to have occurred during the night while the vehicle was in a ditch at the crossing. It later was towed to a garage.

## Easter Programs Deadline Friday

The deadline for Palm Sunday and Easter programs of Quad-City area churches to be turned in to the Press-Record for publication will be Friday, March 29.

The Press-Record publishes the programs each year as a community service, and the advance deadline is needed to compile the information. Palm Sunday programs will be published April 4 and Easter programs on April 11.

Office hours at the Press-Record, 1815 Delmar avenue, are from 8:30 a.m. to 5 p.m. (8:30 until noon on Saturday).

## Radar Charges Filed

Radar-based speeding charges were filed by Granite City police Friday on Madison avenue, on 20th street and along Edwardsville road against Larry Higgins, 2410 East 20th street, Rolando Fuentes, East St. Louis, Herbert Crowder, 2717 Stratford lane, Ralph Koller, 1728 Cleveland blvd., John Novich, 1629 Sixth street, Madison, and Charles Bridiek, 723 Lee street, Madison.

## Arrested for Speeding

Michael Petrillo, 2407 Delmar avenue, was charged with speeding at Sixth street and Madison avenue, Madison, at 2 a.m. Sunday.

## Furnace Motor Fires Cause Loss at 2 Homes

Furnace motor blazes resulted in \$50 damage at each of two fire calls in Granite City Saturday, the first at 2:50 a.m. at the frame home of Alva Thompson, 2233 Alexander avenue, where an electrical short-circuit developed in the blower motor.

The furnace blower motor became overheated at a frame residence at 2007 Missouri avenue at 7 p.m. Saturday, firemen said.

A call to the 800 block of Niedringhaus avenue at 10:30 p.m. Friday proved to be a false alarm. At 11:50 p.m. Friday at 28th and State streets, fire due to overheated rear brakes caused \$25 damage to the 1966 auto of Jack Sparks, 2242 Adams street.

## Benton Street Mishap

Autos of Ira Medcalfe, 2610 Hodges avenue, and Carl Fletcher, 2232 Benton street, collided in the 2200 block of Benton at 4:20 p.m. Friday. Medcalfe, who reported damage to the left side of his northbound car, said the other vehicle was pulling away from the curb.

## Driving Charges Filed

Charges of careless driving were filed at 2:45 a.m. Friday against Teddy M. Lane, 2909 National avenue, at 23rd and Iowa streets, and Larry E. Copeland, 2300 Nameoki road, in the 2200 block of Madison avenue.

## Arrested Friday Night

Dispatched to 24th and Kate streets at 10:30 p.m. Friday, police booked Alvin L. Evanoff, 18, Rural Route One for disorderly conduct. He was released on \$25 bond pending a hearing.

## Culpen and Daily Nuptials Saturday at Second Baptist

Miss Betty Jo Daily, daughter of Mr. and Mrs. Arvil Daily, 3119 Princeton drive, became the bride of Sgt. Dale G. Culpen son of Mr. and Mrs. Al Olsen, 2830 East 25th street, Friday evening at the Second Baptist Church.

The double-ring ceremony was performed by Rev. Eugene Dutton at 6 o'clock.

Mr. Daily escorted his daughter down the aisle and gave her in marriage. She chose a street-length dress of white lace designed as an A-line style with rounded neckline and three quartered length sleeves. Her nose tip veil was held in place with two satin roses, and she carried a Colonial bouquet of white carnations with long satin streamers.

Mrs. Shirley Mayberry was matron of honor for her sister, and she selected a two-piece suit in pink linen with matching accessories. Her flowers were tipped in pink.

William Thomas served the groom as best man.

After the ceremony, the young couple left for Fort Carson, Colo., where Sgt. Culpen is stationed with the Army. A graduate of Granite City high school in 1964, he has served in the Army for two years—the last year with duty in Vietnam. He expects to be discharged in five months.

The former Miss Daily is a 1967 graduate of the local high school and has been employed at McDonnell-Douglas Aircraft Corp., St. Louis.

**MRS. NINA BIGLEY**, newly-crowned "Member of the Month" of the Granite City Business and Professional Women's club, who has also been selected as a candidate for B&PW Woman of the Year honors. A stock consultant for a St. Louis firm, she is immediate past president of the local club.

**B&PW MEMBERS TO ATTEND PROGRAM**

Members of the Granite City Business and Professional Women's Club will attend a program presented by Mrs. Judith Keith, noted fashion humorist of Philadelphia, Pa., sponsored by the Alton B&PW Club at the Mineral Springs Hotel in Alton, Wednesday, April 3.

Dinner will be served at 6:30 p.m. and the program is open to the public.

Miss Theima Benson, president of the Alton Club announces tickets may be purchased from any member of the club or by calling her at 254-1857. Reservations must be made by March 29.

Mrs. Keith, public relations consultant, newspaper editor and author of "I Haven't a Thing to Wear" is one of the most sought after speakers on the lecture platform. She is also an avid sportswoman interested in skiing, swimming, skating, camping, hiking, and cycling. She enjoys these activities with her three children, two sons in college and a young daughter.

## 'Slide' Tour For Coterie

A pictorial trip through Europe via a series of colored slides was taken Thursday afternoon by members of the Ladies Coterie who were entertained with a program presented by E. E. Veihl Jr.

Twenty-five members attended the March meeting held at the Travelodge. Mrs. I. E. Rodemeyer and Mrs. Clarence Boettger were co-hostesses.

Mrs. Evan J. Griffith, president, conducted the business session, with Mrs. L. A. Garner giving the Club Collect and Mrs. Arthur D. Roseman leading the flag pledge.

Final arrangements for the club's St. Louis trip on April 4 were reported by Mrs. E. P. Reiske, who announced a chartered bus will depart at 10 a.m. from the First United Presbyterian Church.

Proposed changes in the Illinois Federation of Women's Clubs by-laws to be voted at the state convention May 7-9 at Chicago were reviewed by Mrs. W. G. Cooley, who said the revisions had been discussed at the 22nd District's executive board meeting held last Monday at Fischer's restaurant in Belleville.

Mrs. B. C. Miller invited the ladies to her home at 10:30 a.m. April 2, for a coffee hour and to assist in boxing layettes for delivery to the Evangeline Home in St. Louis. Preparation of layettes for unwed mothers is a year-round project of Coterie members.

Mrs. Paul R. Surbey closed the meeting with The Lord's Prayer.

## Altar Society Enrolls Two

Mrs. Cecilia Cruse and Mrs. Jean Hoffman were welcomed as new members of the Sacred Heart Altar Society at the group's regular meeting Thursday evening held in the parochial school.

Mrs. Marge Saltich, president, gave the opening prayer and presided over the business session. Plans for the society's annual festival were discussed and the event was set for June 9.

Sister Mary Siena's sixth and seventh grade room received the award for having the most mothers represented at the meeting. A total of 31 members attended.

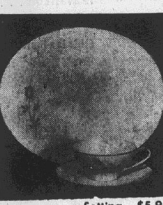

During a social hour, refreshments were served by Mrs. Toni Miller and her committee. Rev. Joseph Enright offered the closing prayer.

**MR. AND MRS. LARRY J. STAWAR**, whose wedding was Thursday evening at St. John United Church of Christ. The bride is the former Cheryl Beth Ziegler, daughter of Mr. and Mrs. Milton Ziegler of Alton.

## Stawar-Ziegler Wedding At St. John Church Friday

The marriage of Miss Cheryl Beth Ziegler and Larry Joe Stawar was solemnized Thursday evening in a candlelight service at St. John United Church of Christ.

The bride is the daughter of Mr. and Mrs. Milton Ziegler, 3625 Horn street, Alton. Mr. Stawar's parents are Mr. and Mrs. Walter Stawar, 2293 Gary avenue.

Rev. Paul R. Surbey officiated at the 7:30 o'clock double ceremony before an altar decorated with spring blossoms and burning tapers in branched candelabra.

The former Miss Ziegler chose a street-length gown of white dotted Swiss organza over taffeta. The bodice was fitted with a high neckline and long, full sleeves gathered at the wrist, and the A-line skirt was accented with a self-fabric looped bow at the back waist.

A short, tiered veil of silk illusion was secured with a petal headpiece, etched with seed pearls, and she carried a nosegay of white daisies and yellow roses, encircled with satin streamers.

Miss Ziegler, the bride's sister, was maid of honor and her only attendant. She selected a short frock of pale yellow dotted Swiss, fashioned in similar style to the bridal gown. On her hair she wore a circlet of matching fabric, attached with a brief veil, and her flowers were white daisies festooned with yellow ribbons.

Mr. Stawar chose Richard White as best man and Michael Flach as usher. Candelights were Deborah Herman of Granite City and Miss Tamara Ziegler, a sister of the bride.

Wedding music was furnished by Mrs. Kathleen Thompson at the organ.

The bride's mother appeared in a double-breasted white knit suit, complemented with royal blue accessories. While the bridegroom's mother chose a knitted suit in coral pink with royal blue accessories. Both had white gardenia corsages.

Immediately following the ceremony, a reception and buffet were given at the home of the groom's parents for members of the bridal party and close friends.

Among the guests were Miss Janice Fultz of San Diego, Calif.; the bride's grandparent, Mr. and Mrs. William Province of Harts Horn, Mo.; Mr. and Mrs. Jack Alford and Mr. and Mrs. Jack Province, all of Edwardsville; Miss Arlette Wilson, Miss Ramona Baker and Danny Johnson, all of Alton; Mr. and Mrs. Clarence Ziegler of Bethalto, Ill.; Mr. and Mrs. William Province Jr., Mr. and Mrs. Gillis Wilson, Miss Beverly Province, Mr. and Mrs. John Grabowski, Mr. and Mrs. Steve Saltich Jr., and daughter, Lorie, Mr. and Mrs. Joe Grabowski, Mr. and Mrs. Chester Gibson and children, Jim and Sandra, Mr. and Mrs. Carl Morris and daughter, Carla, Mrs. August Rath, Mr. and Mrs. F. E. Herman and daughter, Deborah, and Mr. and Mrs. Steve Saltich sr., and daughter, Debbie, all of Granite City.

The newlyweds are both in their freshman year at Southern Illinois University—Southern campus. The former Miss Ziegler was graduated in 1967 from Alton high school. Her husband, a 1967 graduate of Granite City high school, is majoring in chemical engineering.

After a brief wedding trip in southern Illinois, the couple will be at home at 2293 Gary avenue.

## Music Topic at WSCS Meeting

The Women's Society of Christian Service of Niedringhaus Memorial Methodist Church held its March general meeting Thursday evening, with the lesson and program based on the topic—"The Church, The Arts and Identity: Music and Modern Man."

Members of Faith Circle had charge of the program, which included a special segment of folk music presented by Bill Simpkins on the guitar. Individual circle members participating were Mrs. Bob Richardson, Mrs. William Berry, Mrs. Warren Simpkins, Mrs. Nannie Meadows and Miss Ella Rae Smith.

Mrs. Harold Briggs, WSCS president, conducted the business meeting, with standing committee, financial and circle reports given by the chairmen. Guests welcomed were Mrs. Diane Brooks and Mrs. Sayer. An executive board meeting was announced for tomorrow in the home of Mrs. Briggs and the next general session was set for April 19.

Forty-one members were served refreshments during the social hour. Peace circle members served as hostesses, using a St. Patrick's Day theme in the table appointments.

## Engagement Is Announced

Mr. and Mrs. Arthur R. Chase of Santa Ana, Calif., are announcing the engagement of their daughter, Miss Christi Lea Chase, and John P. Jaeger, son of Mrs. Marie Dolins and John H. Jaeger of Granite City. The bride-elect was graduated from Santa Ana Valley high school and attended Santa Ana College.

The prospective bridegroom was graduated from Granite City high school in 1964 and attended Santa Ana College and California State College at Fullerton, Calif., prior to entering the Army. He is presently serving in Vietnam with the medical corps.

Wedding plans are indefinite.

### Vision Program At St. Joseph's

Relationship between academic achievement and good visual abilities was discussed by a local optometrist, Dr. Leo A. Roman, who addressed 45 members of the St. Joseph Parents and Friends Association at the school Thursday evening.

Topic of the guest speaker was "Developmental Approach to the Visual Skills Necessary for School Achievement." He distributed several pamphlets to parents which emphasized the need for correction of visual defects, especially in school-age children.

During a business meeting conducted by Donald Patrick, president, reports were presented by Mrs. Bertha Wasylak, treasurer, and Mrs. Theresa Patrick, secretary.

Discussed at length were arrangements for the school's annual picnic, set for May 13 at Wilson Park.

Parents voted to provide free soda and ice cream to the pupils, and Mrs. Ann Vasileff and Mrs. Wasylak were appointed to arrange for purchase of the items.

Plans were finalized for a fish fry to be sponsored by the association from 4 to 8 p.m. Friday in the church basement. Mrs. Patrick announced take-out orders will be available and fish plates may be purchased at 75 cents each.

Sister Mary Georgiana's first and second grade classroom was awarded the monthly attendance prize for the largest percentage of parents at the meeting.

Hostesses for the social hour were members of a Girl Scout troop. They served refreshments under the supervision of Mrs. Patricia Rigney, leader.

### Parker on Southwestern All-Star Team for Third Year

Statewide high school basketball competition has ended in Illinois, but all-conference selections remain, keeping the sport and the 1967-68 season in the limelight.

The fifth annual Press-Record all-star team for the Southwestern Conference, picked by the coaches, was announced today. It includes two Alton players and representatives from Collinsville, Edwardsville and Belleville West.

First-team selections were Tom Parker of Collinsville—chosen for the third consecutive year—and four newcomers. Parker, Leon Huff of Alton and Tom Dezort of Edwardsville were unanimous choices (coaches do not vote on members of their own teams). Also named were Ray Wiley of Belleville West and Clarence "Sonny" Willis of Alton.

#### Simpson on Second Team

Those chosen for the second team were Gary Simpson of Granite City, Tony Johnson of East St. Louis, Dan DeGleria of Wood River, Marvin Gusewell of Edwardsville and two Alton players, Larry Hardimon and Mike Jeffries.

Players receiving honorable mention were Don DeWitt of Wood River, Mike Jonas of East St. Louis, Jerry Schwan of Edwardsville, Mike Fletcher of Collinsville, Ivan Busch of East St. Louis, Ike Terveis of Collinsville and Glen Moulton of Belleville West.

Each coach named ten players, casting two-point votes for those recommended for the first team and one point each for those proposed for the second team.

Participating coaches were Donald Deterding of Granite City, Bob Gregor of Edwardsville, Virgil Fletcher of Collinsville, Dave Shanahan of Belleville West, Louis "Pick" Dehner of East St. Louis, Ralph Sterrett of Alton and Bob Knight of Wood River.

#### Ranked Nationally

Parker, 6-5, paced his power-

ful team's scoring and rebounding. He is receiving both state and national all-star rankings. Scoring 21 points a game for the Katoaks as a junior in 1966-67, after averaging 19 points as a sophomore, Parker boosted his output to an average of well over 30 points as a senior.

He shared all-conference honors a year ago with four seniors, Terry Moore and Jim Hentzel, both of Granite City, John Lograsso of East St. Louis and Collinsville teammate Ron Burton. Both Parker and Burton were repeat selections a year ago.

Among the Southwestern Conference players accorded second team ranking a year ago were Wiley, Dezort and Busch. Honorable mention winners a year ago included Jeffries of Alton.

Skilled On Offense, Defense

Belleville West's Wiley, a 6-2 senior, played center and forward for the Maroons this season. He totaled 555 points on 206 field goals and 143 free throws. His one-game high was 30 points.

Wiley has played varsity ball for three years. He is adept defensively and snared 350 rebounds in 1967-68.

Dezort paced Edwardsville with an average of 24 points, hitting 33 in one game and 31 against both Alton and Collinsville in regional play. The 6-5 center and forward also led his club in rebounds.

A team leader, Dezort set up many plays and was second in assists.

Alton All-Stars Huff, also 6-5, played center for Alton and led the team with an average of 16 rebounds. Against Granite City, he scored 45 points at the Redbirds' gymnasium. A three-year letterman, he started every game in the last two years.

A 60% field goal sharpshooter and 66% free throw marksman, Huff broke the Carbondale invitational tournament rebounding record with 21 against Glenbard East.

Willis of Alton averaged 17 points a game for a 452 total, including 32 points against Collinsville in the Carbondale tournament. He hit 48 from the field and 62% at the free throw line.

Also a three-year letterman, the 5-11 senior guard is an expert ball handler. He led Alton in assists and averaged 10 rebounds a game.

## First of 15 Games for Madison Nine Friday; 7 Lettermen Back

The Madison high school Trojan baseball squad, which will open its 15-game 1968 schedule Friday at Assumption in East St. Louis, has seven returning lettermen this season.

In addition to prospective new team members, the Trojans have added a pitching machine. They have been using the machine for most of their batting practice, allowing the pitchers extra time to get their arms in shape.

Lawrence Burns, skipper of the Trojans, reports that so far this spring the weather has been too adverse to hold much outdoor practice on game situations.

Last week, the MHS players were drilling on steals, run-downs, pickoffs, and other plays.

"The pitching machine has been a great help so far be-

cause it permits the pitchers to develop their control more. However, we are at a point now when we need to hold intra-squad games," Burns said.

**Young, Dedicated Team**

The team is young, and we are not excessively experienced in any of the positions. The players have one important factor going for them, though. They have shown me that they want to have a good team.

"I think that the addition of more teams to our schedule will give us more of a challenge this year."

"The first two schools on our schedule, Assumption and East St. Louis, usually have strong teams and we have never played them before."

Due to the fast approach of the season opener, MHS continued its drills through the weekend.

**Wilkie, Ervin on Mound**

The lettermen for the Trojans are seniors—Larry Wilkie, pitcher, and Bert Armour, first baseman; juniors—Bill Campbell, catcher; Dale Clinton, utility man, Jim Scott, shortstop, and Mike Turk, utility; and sophomore—John Ervin, pitcher.

Other members of the squad are Pitchers Don Bunk, Doug DeRosier and Steve Lewis; Catchers Ron Britt and Ted Narvaez; Outfielders Dave Hunkak, Bob Scott, Mike Darling and John Monroe; and Infielders Howard Harper, James Gardner, Sam Kannon and Dan Bargiel.

The Trojans will play all their games at 4 p.m. Their home games will be on the high school baseball diamond directly behind the school.

## Banquet Speaker Apr. 1 Has Coached Against Top U. S. College Quintets

Paul M. Lambert, principal speaker at the Granite City high school winter sports banquet at 6:30 p.m. Monday, April 1, is one of the youngest and most successful U. S. college coaches.

Wrestlers and basketball and soccer players will be honored at the annual dinner.

Lambert is head basketball coach at Hardin-Simmons College, Abilene, Tex. Glen "Skip" Hastings, assistant basketball coach at GCHS for the past two years and a coach in the Granite City district for ten years, will become assistant basketball coach at Hardin-Simmons in 1968-69.

Hardin-Simmons plays such schools as Houston, which is ranked No. 1 in the nation, New Mexico State, ranked fifth in the nation, Oklahoma City, ranked 15th, Michigan State, St. Louis University and Texas Western.

**1800 Enrollment**

The Southern Baptist school has an enrollment of 1800. Its basketball games attract crowds of 4200 to Rose Field House. The Cowboys are an independent team affiliated with the National Collegiate Athletic Association.

Named to the Hardin-Simmons coaching position two years ago, Lambert previously coached for three years at the Pittsburg, Kan., State College, where his teams compiled a

47-29 won-lost record, captured two Central Intercollegiate Conference (Kansas and Nebraska) championships and was the NAIA District Ten titleholder in 1965-66, competing in the national tournament in Kansas City.

He was 1965 "coach of the year" in the district, which includes Missouri, Kansas, North and South Dakota, Nebraska and Oklahoma.

Coached at Moberly

Lambert was head basketball coach at Moberly, Mo., high school from 1956 to 1959, his teams there winning 50 games and losing 29 while earning one conference championship. In

1960, he coached the Boone, Ia., high school team to a 12-6 record.

He joined the college ranks at that point, serving as assistant varsity and head freshman coach at Drake University, Des Moines, Ia., from 1960 to 1963. His freshman teams at Drake won 40 of 45 starts.

Lambert attended Kansas City, Mo., elementary schools, graduated in 1952 from Central high school in Kansas City, graduated in 1956 from William Jewell College, Liberty, Mo., with a bachelor of arts degree and received a master of education degree from the University of Missouri.

## Local Fans Impressed as Evanston Breezes to State Basketball Title

Many Quad-City area coaches and school officials were on hand at Champaign Friday and Saturday as the impressive Evanston Wildcats clawed their way to their first Illinois high school basketball championship.

Aided by the "luck of the draw," which gave it more time to rest between games, Evanston romped past Peoria Central 70-48, Chicago Crane Tech 70-54 and Galesburg 70-51 in the finale.

Crane Tech, which finished third with an 82-68 victory over DeKalb, eliminated Carbondale 64-63 in a cliff-hanging quarter-final contest.

Galesburg regained the championship game by defeating Effingham 85-52 and edging DeKalb 63-60. Fourth-place DeKalb beat LaSalle-Peru 82-77 Friday after trailing 42-26 at the half.

In losing the title contest—viewed by a capacity 16,128 audience—mainly due to a 15-point second-quarter deficit, Galesburg placed second in the state for the second time in three years.

**Urges Longer Tourney**

Both the Evanston and Galesburg coaches agreed that the best team won but also agreed that the tournament should be conducted over three days, enabling the finals to be played a day after the semifinals.

Evanston was led by Bob Lackey, 6-4, with 30 points, and Farrell Jones, 6-6, with 58

points. Jerome Freeman of Crane Tech topped all scorers with 57.

The three were named to the all-tournament team along with Les Taylor of Carbondale and Ruben Triplett of Galesburg.

**Defeating Team Loses**

Effingham, which eliminated the last entry from this region, Belleville West, at the super-sectional level, had been favored on the strength of its 30-0 record. However, it was never in contention in the

Galesburg game.

Ranked No. 1 in the state for most of the season, Effingham was coached until this year by Donald Deterding, the 1967-68 Granite City high school coach.

The current Effingham squad had been groomed by Deterding since the sixth grade level. As juniors last year, the Flaming Harts were 28-1 before, riddled by injuries and illness, they lost to Collinsville in the super-sectional.

## Troop 275 Holds Campout

Junior Girl Scout Troop 275, sponsored by the Niedringhaus PTA with the leaders Mrs. Jo Ann Jarrett and Mrs. Ruth Jones, assisted by Miss Linda Palette and Mrs. Doris Edwards returned Sunday evening from a weekend of camping at Camp Keck, Belleville, Ill.

Upon arrival at the camp site Friday evening, the troop prepared their bed rolls before joining in a "song fest" and games.

After breakfast Saturday morning, work continued on Active Citizen and Cooking badges. The girls each made a "hobo bag" to be used on "Hobo Day" to be held at the Lewis and Clark Park in May. A nature study and hike were

conducted as part of the requirements of the active citizen's badge.

A dessert course of pies and cakes baked by the troop while working on their cooking badge was served to several visiting parents Saturday evening. Kendall Hillman furnished home-made ice cream. Parents who were entertained were Mr. and Mrs. Lawrence Lockhart and sons, Mr. and Mrs. Hillman, Mr. and Mrs. Eugene Forshaw and Earl Jarrett.

Members attending were Cindy Allen, Amy Bono, Sherry Cathey, Rhonda Gionko, Mary Earls, Beverly and Janice Edwards, Gina Forshaw, Mary Beth Hillman, Elaine Holmes, Melissa Jones, Elaine Lockhart, Debbie Ladd, Terri Mangoff, Dawn Oram, Kathy Palen, Jennifer Sapp, Veronica Sues, Ron Wagner, Sherie Worthen, Marianne Yevin, and guest, Patty Jarrett.

Transportation was furnished by Mr. and Mrs. Leonard Oram, Nick Mangoff, Richard Sues, Earl Earls, Mrs. Edwards, Mrs. Jones and Earl Jarrett.

## Dinner Honors Mrs. Fischer

A social evening was enjoyed Friday at the Rose Bowl restaurant by members of Chapter HT of the PEO Sisterhood who, with their husbands as guests, honored Mrs. Harold R. (Gouldie) Fischer, the chapter's retiring president.

Dinner was served to 13 couples, following which games were played for entertainment. Those who excelled and received prizes were Mrs. Maxine Anderson, Mrs. Thelma Baker, Mrs. Nina Marshman, Bernard Miller, Sr., Richard West and Elmer Baker.

Supervising arrangements for the party were Mrs. Betty Matthews, Mrs. Helen Stoeber, Mrs. Loretta Reiske, Mrs. Anderson and Mrs. Frances Wilkins.

Mrs. Fischer, who is retiring after heading the chapter for the past several years, will be succeeded by Mrs. Richard (Dorothy) Kerch. The latter will conduct her initial meeting to day.

## Miss Laura Lee Hoffman And Stephen West are Wed

Miss Laura Lee Hoffman became the bride of Stephen R. West, 1633 More Avenue, Saturday afternoon at the Third Baptist Church before an altar adorned with bouquets of white gladioli, pom poms, palms, ferns and lighted candles. Family pews were marked with white satin bows.

The bride and groom were Mr. and Mrs. Stanley Hoffman Sr., 1620 Clark avenue, Mrs. Genevieve Hicks, Lyons, Kansas, and the late Ray West.

A double-ring ceremony was performed at 2 p.m. by Rev. Eugene Phillips, Mrs. Delores Boston sang "White Horse" and "Because" and the "Wedding Prayer." Accompanied at the organ by Mrs. Charles Swick, musical director of the Assembly of God Church.

The bride was escorted down the aisle and given in marriage by her father. She chose a gown designed with a fitted Venice lace bodice in a daisy pattern, trimmed with a cluster of seed pearls, and she carried a bridal bouquet of Phalaenopsis orchids, daisies and baby's breath edged with greenery.

The groom wore a tuxedo with a white shirt and a white bow tie. He also attended the Academy of Fine Arts in Chicago.

Mrs. Hoffman, mother of the bride, chose a lemon yellow silk shantung dress with matching jacket, trimmed with sequins and pearls at the neckline with matching accessories.

The groom's mother, Mrs. Hicks selected a navy blue suit ensemble with navy and white accessories. Both wore corsages of cymbidium orchids.

## Scholarship by PTA District 29

Mrs. Thomas Holland, Illinois Parent-Teacher Association director of District 29, announced during the weekend that the winner of the 1968 golden jubilee scholarship is Miss Elizabeth Hilgendorf of Bethalto. She is a senior at Civic Center high school and will enter SIU at Carbondale this fall. She wants to teach high school mathematics or psychology.

The alternate winner is Robert Roe of Highland, brother of the 1966 golden jubilee winner, Charles Roe. Second alternate is Nancy Chappell of Wood River.

A scholarship award of \$1000 is presented annually in District 29 to a graduating public high school student in the upper 20% of his class who plans to attend college. The recipient agrees to teach one semester for each year he has the scholarship.

This year's selection committee consisted of school superintendents and lay people within District 29, met last week at SIU.

## Candidates at PTA Meeting

Six candidates for the Granite City board of education discussed their qualifications and reasons for seeking office at a meeting of Parkway Parent-Teacher Association, Thursday evening at the school.

The prospective school board members were introduced by Mrs. Agnes Fryntko, Parkway principal.

Candidates addressing the parents' group, included incumbents, George E. Moore, Donald W. Stucke and Arthur L. Metcalf, and Morris W. Miles, Harold W. Davis and Richard Roberts. Absent were nominees, Andrew Gifford and Henry J. Beadle.

Metcalf is unopposed in his quest for the one-year unexpired term in the April 13 school contest, while the remaining candidates are seeking full three-year terms on the board. Three full-term vacancies exist.

Robert Kirgan, PTA vice-president, opened the meeting, with members of Parkway Girl Scout troops presenting the colors. The scouts also led the Pledge to the Flag and sang the Girl Scout song, "A Promise." Carl Macios offered the PTA Prayer.

PTA members voted to purchase a gift for the new building and for Kirgan appointed a selection committee composed of Mrs. Fryntko, Mrs. Martha Lane, Macios, Mrs. Janet Kunick and Mrs. Jo Ann Conraux.

Mrs. June Ybarra and Mrs. Jo Ann Macios were named co-chairmen for the annual school picnic to be held in May. The nominating committee will report on an election of officers at the next general session in April.

A social hour followed, with refreshments served by third grade room mothers from third grade classes.

### Free Fishing Guide

A new, revised edition of the Illinois Fishing Guide has been published by the Illinois Department of Conservation. Single copies are available free to anglers.

Information on 423 impoundments, totaling almost 9,000 acres of water and 220 streams is contained in the publication. An angler may determine the average depth of a lake or stream, the shoreline length and kinds of fish living in it. Other questions answered by the Fishing Guide are the size of motors allowed on an impoundment and if water skiing, swimming, picnicking or camping are permitted.

Proposed U. S. Corps of Engineer Reservoirs, the Fox Chain-O-Lakes and Mississippi River access areas are discussed briefly. A list of the state hook and line records as well as descriptions of the most important sport fishes are included.

Fishermen may obtain copies of the Illinois Fishing Guide from the Division of Fisheries, Illinois Department of Conservation, Room 102, State Office Building, Springfield, Ill. 62706.

### Water Standards Set

The Illinois Sanitary Water Board, meeting recently in Springfield, gave final approval to rules and regulations establishing water quality standards in Illinois.

The revised regulations are concerned with standards for Lake Michigan, the Little Calumet River, Grand Calumet River, Wolf Lake, the Illinois River, lower section of the Des Plaines River, the Rock, Fox, Des Plaines and Kankakee Rivers and certain interstate tributaries, intrastate waters exclusive of interstate waters, the Chicago River, Calumet River Systems and the Calumet Harbor Basin.

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health and chairman of the Sanitary Water Board, said approval of the standards containing criteria and the means for implementation and enforcement moved Illinois a giant step forward in the control of surface water pollution.

Water quality standards contained in the rules and regulations were approved by Secretary of the Interior Stewart Udall in January.

The board authorized the attorney general to proceed with a damage action against the Williams Brothers Co., of Tulsa, Okla., for fish kill damages in Lee county and a penalty against the Chicago, Rock Island and Pacific Railroad Co. following discharge of oil into Sugar Creek and the Mississippi River from company yards in Silvis.

## MORE ABOUT Future of

as temporary work under the terms of the contract. Clay Parin, international representative, commented that "there is a time to give and a time to take," especially in view of the threat to close the plant.

It was pointed out by Warfield and others that the job may be lost regardless of the vote.

After the meeting and at the start of balloting, one member of the negotiating committee said that the contract, particularly on seniority, was worse than the offer voted down the previous Sunday.

During the meeting some of the members shouted that the company was "crying wolf" again. During the presentation, Warfield said that the company always had used the threat to move as a weapon against the local.

### Recommend Closing

The recommendation that the Granite City plant be closed and its operations moved elsewhere was made by a company Corporate Products Management committee in an inter-company memorandum issued March 12.

Notice of today's special board of directors meeting for the purpose of deciding the issue was contained in a memo. While the union persisted in its belief that the removal recommendation was designed to end a settlement of the labor dispute, a group of civic leaders including Mayors Partney, Maeras and Lee, met to study means of proving the removal of the plant from this area.

Following a union membership meeting on Sunday, March 17, when the workers voted 486 to 365 to reject the latest company offer, ten members of the Citizens Group flew to Milwaukee for an immediate conference with Urban T. Kuehne, president of A. O. Smith Corp., and other company officials. Renewed negotiations and settlement of the strike resulted from that meeting.

### Contract Is Signed

After the union membership voted Saturday to accept the contract, in balloting that was tallied by shortly after 1 p.m. Warfield and other union officials notified the company. A short time later, union and company officials met at the plant and signed the contract.

At 2:40 p.m. Saturday, a joint statement on behalf of A. O. Smith Corp. and Boilermakers Union Local 575 was issued. It said:

"We are pleased that agreement has been reached on a contract that is acceptable to the union and the company."

"The A. O. Smith board of directors will be advised of this action and we sincerely hope that the company's directors see fit to keep the Granite City plant open."

Union leaders and many union members expressed dissatisfaction over the seniority phase of the new contract, an issue that proved to be the major stumbling block throughout negotiations that started early last December. The union demanded the seniority clarification on an placement, job disturbance and "bumping" privileges be written into the contract. This the company refused to do.

**Seniority Caused Rejection**  
The seniority issue was the primary reason for the secret ballot rejection of the contract by membership vote on March 17.

The new contract provides pay increases of 10 cents per hour for the first year, with an additional nine cents in the second year and another nine cents in the third year of the three-year contract. Pension and insurance improvements as well as an additional paid holiday were contained in the contract.

There had been opposition to a ceiling of 16 cents on cost-of-living wage increases for the three-year period, but apparently by not to the extent that it would have blocked approval of the contract. Terms of the new pact call for a maximum cost-of-living increase of four cents the first year, and six cents maximum in each of the two succeeding years.

Under the old contract, lowest job classifications averaged slightly more than \$3 per hour.

### Teenage Nutrition Problem Overrated

The common belief that American teenagers have poor food habits and that half of all teenagers are malnourished has no valid basis, reports a report by the Department of Agriculture nutritionist.

Dr. Ruth M. Leverton of the Agricultural Research Service cites size, physical condition, mental attainments and vitality of today's youth as proof that their food choices and eating habits are not so bad after all. Any other conclusion would indicate that the facts are not known or have been misinterpreted, or that there is no connection between food and fitness.

Defending the teenager's eating habits, Dr. Leverton points out that nutritionists often make false generalizations about teenage diets. Some nutritionists base their evaluations on the dietary allowances recommended by the National Research Council prior to 1963—before the allowances for several nutrients were revised downward for teenagers.

For example, results of a study made 17 years ago indicated that half of the girls 13 to 15 years old had significant low intakes of the B vitamins, thiamin and riboflavin. But by today's standards, many more of the girls would have had sufficient intakes of these nutrients.

The recommended allowances are revised periodically to reflect the best available scientific evidence of nutritional requirements. But Dr. Leverton notes that there is a scarcity of data on requirements which form the basis for the recommended allowances for teenagers.

She points out that the teenager is a "snacker" and there is no research evidence to indicate that frequent eating is detrimental to health. But acceptance of snacking does not have a license for overeating or for ignoring total daily nutrient needs.

Parent, school administrators and other adults who influence teenage eating habits should recognize the teenager's special needs. Teenagers need to live and what they need and will eat is not always available to them at places and times when they do eat.

Dr. Leverton suggests that adults see that wholesome food is available at times and places where it will be eaten and enjoyed, whether this be the home dining table, refrigerator, kitchen cupboard, the school lunch or the food dispensing machine.

Equally important is that the teenager have a schedule that includes time for proper eating so that he is not forced to make up in the evening for food missed during the daytime hours. While there is no reason for concern over "snacking"—so long as the food contributes to good nutrition—there is reason for concern when half of the total food intake for a day is eaten after school hours and before bedtime.

### Older Women Need Protein

Everyone, regardless of age, needs protein for repair and upkeep of body tissues. The total daily protein needs increase steadily from birth to adolescence and then decrease to a maintenance level for adulthood.

Studies show that many women 40 years of age or older eat less than the "daily needed amount" of protein. And one study showed that diets of women over 60 years of age contained 18% less protein than the recommended daily allowance.

Foods that are good sources of protein are milk, eggs, meat, poultry and fish. Alternates include dry beans, peas, lentils and nuts.

A ceiling of 16 cents on cost-of-living wage increases for the three-year period, but apparently by not to the extent that it would have blocked approval of the contract. Terms of the new pact call for a maximum cost-of-living increase of four cents the first year, and six cents maximum in each of the two succeeding years.

Under the old contract, lowest job classifications averaged slightly more than \$3 per hour.

How to Buy Beef Roasts  
How much does the average shopper know about selecting a beef roast?

Some diligent shoppers know a great deal, while others may be choosing blindly.

To bridge this knowledge gap, the U.S. Department of Agriculture's Consumer and Marketing Service has published "How to Buy Beef Roasts."

The leaflet contains valuable information on beef quality, how beef is graded, cuts of beef, inspection for wholesomeness, appropriate cooking methods and how big a roast to buy to serve your family.

The following are some

guides to beef roast buying:  
The secret of success in cooking a beef roast lies in matching the cooking method to the grade and the cut you select.

Beef varies in quality more than any other kind of meat. But you don't have to learn to judge beef quality for yourself. The USDA grades are a reliable guide to meat quality—its tenderness, juiciness and flavor.

USDA Choice is the grade you are most likely to see in your store. USDA Prime is a higher grade, but is sold primarily to restaurants and hotels. USDA Good, USDA Standard and USDA Commercial are others of the top five grades for beef.

The USDA grades are based on Federal standards of quality and are applied by USDA graders in a uniform manner throughout the country. If a roast is federally graded, you can rely on the grade name to indicate its quality.

Beef is graded before it is made into retail cuts. However, because the grade is applied to the beef carcass or wholesale cut in a long ribbon-like stamp, you will see a purple shield-shaped grade mark on most retail cuts.

All meat processed in plants that sell their products across State lines must be inspected for wholesomeness by USDA's meat inspectors. A round purple inspection mark is used to show wholesomeness while the purple shield-shaped grade mark is used to show quality.

You won't often see the inspection mark, because the stamp is placed on large wholesale cuts only. But you will probably see the grade mark.

Some cuts of beef roasts are naturally more tender than others. Cuts from the rib and loin section (little-used muscles) will be more tender than cuts from the active muscles in the shoulder (chuck) and the round.

Buy any beef roast you intend to oven-roast big enough—at least 4 pounds—to keep it from over-cooking, especially if you like it rare or medium rare. Here are some of the most widely sold roasts and suggested cooking methods for the top grades, as outlined and illustrated in "How to Buy Beef Roasts."

**Rib Roasts**—are unexcelled for tenderness and flavor. This roast can be oven-roasted in all grades, but for maximum tenderness, juiciness, and flavor, select USDA Prime or Choice. Allow at least 1½ pound or more per person. This cut should be at least two ribs thick for proper cooking. Also called standing rib and prime rib (even when not graded Prime).

**Rib Eye Roast**—The meaty boned heart of the standing rib, this cut has excellent flavor and tenderness. It can be oven-

roasted in all grades. Allow ½ pound per person.  
**Rump Roast**—This roast has good flavor, but is less tender than the rib roast and may contain much bone. In Prime, Choice or Good grades, it can be oven-roasted; pot roast in lower grades. Allow ½ pound bone-in roast per person. If sold boned and rolled, allow ½ pound per person.

**Eye-of-Round Roast**—This cut has good flavor, but is less tender. It may be oven-roasted in Prime and Choice grades but should be pot-roasted in lower grades. Allow ½ pound per person.

**Brisket**—Often cured and sold as corned beef, the brisket is also sold fresh with bones removed. This cut must be cooked with moist heat—pot-roasted—in all grades. Allow ½ pound per person.  
**Shoulder Arm Roast**—is a less tender cut. Pot-roast this cut in all grades. Allow ½ pound per person.

**No Gas War Impact**  
A gasoline price war which began late last week in some parts of Madison and St. Clair counties has had little or no effect on the prices at most Quad-City area service stations, it was learned during the week-end.

**Four Hubcaps Stolen**  
Louis G. Bowman, 3106 Wayne avenue, reported at 8:45 a.m. Saturday that four spook-type hubcaps were stolen off his 1968 Buick Wildcat which was parked at the Empire club on Collinsville road.

**1963 Auto Stolen**

In both of these presentations, the girls were assisted by the young men's chorus of the church and a group of instrumentalists, in playing and singing a program of all jazz and contemporary religious music.

Six of the numbers which they will perform on their concert tour are from this program, and a number of the girls will be playing guitars, tamborines and

## Concert Here by Choir Of High School Girls

The Angetlets, high school girls' choir of the First Presbyterian Church of Deerfield, Ill., are spending their spring vacation from school on a concert tour, including the Quad-Cities. The greatly expanded group will present concerts and sing in worship services in six churches in Illinois, Kentucky, Tennessee and Indiana, beginning tomorrow and returning to Deerfield Sunday night.

The choir's director, William Bonhavent of Lake Forest, arranged the tour and will accompany the group. They will be joined on the trip by the church's youth director and his wife, Mr. and Mrs. Michael Smothers.

claves to accompany the singing.

**First Stop Here**

First stop on the 1968 tour is Madison, where they will play and sing at the First Presbyterian Church Tuesday evening. The time will be 7:30. On Wednesday their bus will take them to East St. Louis and then to the Broadway Methodist church, Paducah, Ky., where they will give an evening concert, followed by a reception and a period of recreation with that church's youth group, making use of the church's swimming pool and bowling lanes.

On Thursday the girls plan to tour Mammoth Cave enroute to Rockwood, Tenn. Rev. Jeffrey Grote, pastor of the Rockwood Presbyterian Church, was formerly the minister to youth at the Deerfield church.

During the stay in Rockwood, they will tour mountain poverty areas, give a concert at Maryville College and perform at the Rockwood Presbyterian Church. On Friday evening, the Rockwood Church youth group will give a dance for the Angetlets. After a concert at the First Presbyterian Church, Louisville, Ky., Saturday evening and a performance at the Sunday morning worship services of the Indianapolis, Ind., Prentice Presbyterian Church, the singers will leave for home.

## Son Arrives for Airman, Mrs. Keller

Airman First Class and Mrs. Arthur Keller are announcing the birth of their son, David Arthur Keller on March 20 at Ramsey Air Force Base hospital in Puerto Rico.

Mrs. Keller is the former Jane Ellen Minitz, daughter of Rev. and Mrs. John Minitz of Dubois, Ill., and the granddaughter of Mr. and Mrs. Arnold Anspach, 2863 Lincoln avenue, who plan to leave after the Easter holidays to visit with them in Puerto Rico.

The Madison Band Parents' club will serve food in the school cafeteria and sponsor other booths for the enjoyment of the visiting musicians, under the supervision of the club president, Mrs. Matthew Blattner.

## Caught in Stolen Car

Three East St. Louis boys, 15 and 16 years old, were arrested in Madison late last night in an auto reported stolen earlier in East St. Louis. The boys were stopped at Tenth street and Madison avenue by police who had seen the car pull out of a parking lot and head east on Madison avenue. The boys claimed they lived in Madison but could give no addresses. Juvenile cards charging car theft were filed against all three boys who were to be turned over to East St. Louis juvenile authorities to day. The car was stolen from Allan Adams, East St. Louis.

## Petition Filing By Mail Termed Common Practice

Gov. Otto Kerner and Atty. Gen. William G. Clark have informed Robert Ford of Wood River, candidate for state representative of the 55th District in the Democratic primary that filing of nominating petitions by mail with the secretary of state's office has been common practice for many years and that no action is contemplated on a complaint filed by Ford with the Illinois State Electoral Board.

Ford, a member of the county board of supervisors for Wood River township, stated in his complaint that on March 4, opening date of the filing period, he had waited in line at Springfield many hours to file his petitions and thus gain first place on the ballot. He said that upon opening of the secretary of state's office at 8 a.m., he learned petitions of Leland J. Kennedy, incumbent state representative of Alton, and petitions of Horace Calvo of Granite City, had been filed ahead of his.

The secretary of state's office told him the petitions had been filed by mail, Ford said. Kennedy's petitions were filed as of 8 a.m., and Calvo's petitions as of 8:01 a.m., he added.

Ford's complaint charged this was a violation of state election laws and that such procedure "points to the possibility that other laws are bent to accommodate the 'inner circle' group."

Gov. Kerner told Ford that in view of long-standing procedure "and the equally long-standing acquiescence of the Electoral Board to such procedure, I believe that any change in such filing procedure must be by legislative action. Atty. Clark gave a similar response.

Mrs. Helen Richardson held a monthly meeting of the Third Thursday club in her home, 1629 Sixth street, Thursday evening.

Winners for the evening were Mrs. Gladys Bass, Mrs. Edna Foley, Mrs. Laura Purcell and Mrs. Rose Richardson. Other members present were Mrs. Helen Daley, Mrs. Elsa Little, Mrs. Ella Webb, Mrs. Ruby Hocking, Mrs. Cornelia Hommert and Mrs. Lena Williams.

The hostess was assisted by Mrs. Rose Richardson and Mrs. Foley in serving. Mrs. Rose Richardson will hold the April meeting in her home, 1907 Harris street.

### MOTHERS STUDY CLUB ELECTS NEW OFFICERS

Mrs. Dorothy Brick was hostess to the Mothers Study club in her home, 824 Lee avenue, Wednesday evening.

An election of officers was held, with Mrs. Brick being chosen as president; Mrs. Mary Lou Allen, secretary; and Mrs. Vivian Rowden, treasurer.

During the evening's program, Mrs. Allen read a paper, "Patron Saint of Ireland." The hostess used a St. Patrick's Day theme in serving.

A contest was held, with Mrs. Delores Harziz, Mrs. Lorraine Paladini and Mrs. Marian Ropac excelling. Others in attendance were Mrs. Peggy Crakovich, Mrs. Peggy Hill, Mrs. Haroldine Ross and Mrs. Helen Ann McGarrahan.

Mrs. Harziz will entertain the club April 25.

Mrs. Marlene Sorini, 1927 Third street, East Madison, and her mother, Mrs. Helen Thiele, 1509 St. Clair avenue, attended a tea in Godfrey Thursday, given by the Alton District Republican club.

### WCSA PLANS RUMMAGE SALE

The Women's Society of Christian Service of the First Methodist Church met at the church Thursday evening. Mrs. Ann Ritter, president, presided over the meeting which was opened with prayer by Mrs. Avis Richardson. The program, "Living in a Changing World," was given by Rev. and Mrs. Goodloe Love. Mrs. Love is the secretary of the WCSA.

Eight members of the WCSA attended a meeting held Friday evening at a district meeting held in Signal Hill. At the conclusion, Mrs. Estelle McBrien served refreshments to those mentioned and to Mrs. Esther Draper, Mrs. Minnie Martin, Mrs. August Witthaus, Mrs. Thelma Black, Mrs. Carol Freese, Mrs. Hazel Reynolds, Mrs. Harry Johnson, Mrs. Barbara Radcliff and Mrs. Mayne Vallow.

A rummage sale is to be given by the WCSA on April 26. Anyone having articles may call or take them to Fourth and Madison avenue where the sale is to be on the morning planned. Proceeds to be used for the church work.

**DAY OF QUILTING**  
The Ladies Quilting Society of the First Methodist Church met Thursday at the church for a day of quilting. Mrs. Cornelia Hommert, Mrs. Amanda Hill, Mrs. Ruth Roberts, Mrs. Nov Sanders, Mrs. Ann Ritter, Mrs. Helen Cook, Mrs. Jewel Jones and Mrs. Minnie Martin.

**State Street Accident**  
A collision at 415 p.m. Saturday at 22nd and State streets damaged the right front of a southbound police car operated by Joseph Verneth, 1861 Spring avenue, and the left front fender and door of the east-bound auto of Gertrude Wells, 625 Jefferson avenue, Venice, who was charged with failing to yield the right-of-way.

**Police Confiscate Gun**  
Venice police were called at 6:40 p.m. yesterday to the 1200 block of Bissell streets after receiving reports of a gun being fired. Police reported they found Henry Morgan, 1225 Bissell street, reloading a .22 caliber revolver in his home. Officers confiscated the revolver.

**Edison Avenue Mishap**  
The auto of Michael Thebeau, 3106 Kirkpatrick Homes, backed against the parked car of Clava Howard, 3202 Wilshire drive, in the 1800 block of Edison avenue at 3 p.m. Friday, police were informed.

### \$1 Billion Premiums For State Farm Firm

State Farm Mutual increased the number of cars it insures by nearly three-fourths of a million and topped the billion dollar mark in premiums for the first time in 1967. Quaid City agents are Gerald Roy and Harry Thebeau, Edward Nichols, Joseph Hassler and Michael Tondas.

The world's largest car insurer added 748,444 cars to its insured list in 1967, bringing the total to 9,884,720. Earned premiums and membership fees in State Farm Mutual totaled \$1,073,220,889, up from \$960,963,900 in 1966. It is the first time that an auto insurer has reached the \$1 billion mark in premiums in a single year.

Income from investments totaled \$48,564,356 and helped produce a profit from all operations of \$56,913,465. This permitted an addition to the policyholder protection fund of \$48,888,425 (to a total of \$432,513,373) and provided the backing necessary for the 750,000 additional cars insured.

Of its billion-dollar plus income in 1967, State Farm used \$47,478,371 in settling claims, up \$79 million during the year from \$78,431,287 in 1966. The agents were informed by President Edward B. Rust that the slender profit margin was on an "all U. S. and Canada basis" and did not give a true picture of some "serious loss problems that we face in individual states."

Rust said the general underwriting picture was favorable through the first three quarters of 1967 and rates were reduced in several states as a result. But in the last quarter, a sharp upturn in the number of accidents occurred; this, coupled with inflation's pressure on the cost of repairing accident damage, darkened the picture.

### Carp's Holds 25-Year Dinner, Sales Seminar

A dinner followed by a sales seminar was held Friday night at The Den: Dean Andrews, manager of Carp's, was host to store employees.

Guests included Mr. and Mrs. Walter Matthews of St. Louis. Matthews is personnel director for Carp's, Inc. Films and a technique discussion by Matthews were high points of the evening.

The occasion also marked 25 years of employment for Virginia Conklin, Irene Radanec and Mary Veach.

Others attending were Dorothy Burgess, Rosalie Hill, Dorthea Ashley, Jean Dyer, Evelyn Scherer, Erna Hunter, Etta Whitson, Geraldine Thomas, Jane Schluter, Elizabeth Wisnick, Norma Droge, Maxine Elston, Juanita Spray, Kenneth Gold, assistant manager, and Cecil Horton.

**Runs Onto Highline**  
The front end of an auto driven by Thomas E. Golden, Springfield, Ill., was damaged extensively at 8:10 p.m. yesterday when Golden missed the curve at the Illinois Terminal tracks on the east end of McKinley bridge and drove onto the Terminal Highline. Police said his car had to be towed off the tracks.

**GC Traffic Charges**  
Traffic arrests by Granite City police Friday night included Gary Carter, 2609 Namoki drive, careless driving at 22nd street and Niedringhaus avenue; Lester Wood, 35 Mikel drive, speeding in the 2900 block of Madison avenue; and Earl Todd, 2208 Washington avenue, speeding at 14th and State streets.

**Faces License Charge**  
Venice police arrested Steve A. Palmer, 1123 Bissell street, Venice, at 4 p.m. Thursday on a charge of driving an auto although his driver's license was revoked. Palmer was released on a notice to appear for hearing April 24.

**Paper Drive Saturday**  
Royal Rangers of the Bethel Chapel will hold a paper drive Saturday starting at 9 a.m., picking up tied bundles of newspapers and magazines left on porches throughout Granite City.

### Mr. Shriver to Speak On Educating Retarded

Local residents interested in the mentally retarded are being advised of a public meeting at 8 p.m. Thursday at which Mrs. Sargent Shriver will speak on "Physical Education and Recreation for the Retarded." She is a sister of the late President Kennedy.

There will be no admission charge for the meeting at the Gold Room of the Sheraton-Jefferson Hotel, St. Louis. Sponsor is the Department of Special Education, Catholic Archdiocese of St. Louis.

### Parked Auto Damaged

The left rear of the parked auto of Paul Lichtenberger, 3110 Yale drive, was damaged at 12:50 p.m. Friday in a parking lot in the 1900 block of Edison avenue. It is believed to have been backed into by an auto owned by a Madisonian.

### HUD Speaker at SIU-SW Tuesday

Southern Illinois University's lecture series on federal agencies continues Tuesday at the Southwestern campus with a talk by Wayne Phillips of the U. S. Department of Housing and Urban Development.

Phillips, who is director of the Division of Public Affairs, will speak on government public relations at 7:30 p.m. tomorrow in the Lovejoy Library auditorium.

The Washington-based official is the tenth speaker appearing in the 14-lecture series since October. Four more talks are planned through May 21 under continued joint sponsorship of HUD and the university.

A former reporter for the New York Times and Denver Post newspapers, Phillips was director of news and information for President Johnson's political campaign of 1964. He also served three years as special assistant to Robert C. Weaver, current HUD director, when Weaver was administrator of the Housing and Home Finance Agency.

A graduate of Harvard and holder of master degrees in journalism and history from Columbia University, Phillips

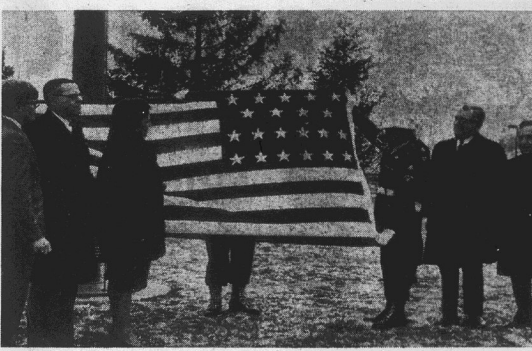

### Attitudes on Injury Cases Are Assailed

Terry L. Francis, a Democratic candidate for state representative in the 55th District, urged in a campaign talk at the Machinists Center, East Alton, Thursday that unless medical cases are willing to cooperate, legislation be enacted to "correct abuses in the medical profession toward personal injury cases."

"Too many doctors refuse to treat patients who have been injured in situations where a lawsuit may result because they are unwilling to go to court," he asserted. "As an attorney, I have seen many people with serious injuries turned away by doctors who had treated the injured for years as the family doctor. The abuse I speak of is not the rule, but it is so widespread and medical societies have done so little to correct it that laws may be needed to protect the innocent accident victim."

has taught at several universities and is author of numerous magazine articles, some of which have been reprinted in college textbooks.

His 90-minute discussion will be tailored for local government officials and students, but anyone may attend.

**21-STAR FLAG FOR SIU-SW.** Members of the 22nd District, Illinois Federation of Women's Clubs, presented the flag to mark the sesquicentennial of statehood for Illinois. Shown at the presentation ceremony are, left to right, William Clover, SIU-SW student president; Ralph W. Ruffner, university vice-president for student and area services; Mrs. Joseph M. Classey, Alton, president of the 22nd District; Sgt. Schmidt, Granite City Army Depot, commander of the color guard; and State Representatives Leland J. Kennedy and Sam Vadalabene.

### Bartley Messer, 68, Dies in California

Bartley L. Messer, 68, of 1922 Manor drive, Hawthorne, Calif., a former resident of Madison, died at 3 a.m. Friday at a hospital at Hawthorne a few hours after being admitted following a heart attack.

Mr. Messer, who was a cigar salesman for a St. Louis firm before retiring six years ago, lived in Madison 41 years. He and his wife, Anice, moved to California two years ago.

He was a native of Bunker, Mo., and was a member of Tri-City Park Tabernacle, the Venice Odd Fellows Lodge, Masonic Lodge 835 and the Scottish Rite Bodies.

Survivors include his wife; a son, Bartley Messer Jr. of Granite City; a daughter, Mrs. Alex (Norma) Crabtree of Collinsville; a stepson, Peter Svensson of Albuquerque, N. M.; a brother, Willard Messer of Madison; a sister, Mrs. Charles (Thelma) McMillan of Buena Park, Calif.; five grandchildren and two great-grandchildren.

Services were held this afternoon. Further information is given in today's obituary column.

#### CANDLELIGHTERS MEET

The Candlelighters pinocle club was entertained Thursday evening in the home of Mrs. Arlene Morley, 1305 Eileen drive, Collinsville.

Those attending and receiving prizes were Mrs. Betty Rea, Mrs. Doris Thompson, Mrs. Norma Loftus and Mrs. Shirley Brown. The latter won the flower award.

A spring theme was used throughout the refreshment table appointments, which featured a centerpiece of daisies and tall yellow tapers. Small, brandy snifters, holding daisy nosegays, were placed as favors for each member.

A guest at the party was Mrs. Mickey Cline.

The club will next meet April 4 with Mrs. Rea, 3214 Wilshire drive.

#### MRS. LOWE ENTERTAINS THURSDAY BUNCO CLUB

Mrs. Celeste Lowe, 2537 Iowa street, was hostess Thursday to the Thursday Evening Bunco club. Prize winners were Mrs. Kathryn Smithson, Mrs. Myrtle Ryan, Mrs. Myrtle Brunis and Mrs. Angie Hartman.

A dessert course was served to those mentioned and to Mrs. Alice Koesterer, Mrs. Loren Campbell and Mrs. Louise Orr. Members were invited to meet April 4 in the home of Mrs. Hartman, 2200 State street, when Mrs. Campbell will be the hostess.

#### MRS. JOHNSON HEADS NAMEOKI WOMAN'S CLUB

Mrs. Dawson Wade, chairman of the nominating committee, introduced a slate of officers for the Nameoki Woman's club annual election at a meeting Wednesday in the home of Mrs. Adolph Weiss, 3107 Colgate place.

Those elected for the 1968-69 year were Mrs. Russell Johnson, president; Mrs. Emmett Beeler, vice-president; Miss Lily Dod, recording secretary; Mrs. John Harsh, corresponding secretary; and Mrs. James Stuart, treasurer.

The hostess, with Mrs. Roy Williams as co-hostess, served a luncheon, followed by the business meeting with Mrs. Wilford Cooley, president, presiding.

Mrs. James Stuart gave the pledge of allegiance and reports were submitted by Mrs. Beeler and Mrs. Louise Meek, secretary and treasurer.

Mrs. Cooley announced the county Federated spring meeting will be held at the First Presbyterian Church in Alton on April 8 and the 22nd District is planned for April 26 at the United Methodist Church in Belleville.

A summary report of the club's recent guest day was given by Mrs. William Ogden. She also noted the Federation guest day is to take place on April 20 at St. John's United Church of Christ, with the reservations to be in April 24.

Mrs. Wade opened the program on "Illinois Heritage." Mrs. Emil Mueller closed the meeting with the club collect.

Others present were Mesdames Homer Blumenstock, Harsh, Johnson, Otto Shelton, Herman Steinberg, Ernest Vohl, Fred Werner and Ted

Schaefer, Miss Dod and guests, Mrs. Robert Davis and Mrs. Dale Rex.

The next meeting will be held April 17 in the home of Mrs. Steinberg, 2229 Lynch avenue, with Mrs. Veihl as program chairman.

Mrs. Dorothy Sinnott, 1517 Clark avenue, with her son, David Sinnott, returned late last week following a week's sojourn in Mexico, where Mrs. Sinnott and Mrs. T. R. Sinnott, Jefferson City, and Mr. and Mrs. Raymond Erisman, Mexico, Mo., were.

#### NU BETA CHAPTER INSTALLS MRS. BONE

The Nu Beta Sigma Phi sorority installed officers Wednesday night at the home of Mrs. Jackie Bone, 2921 Edgewood avenue.

They are: Mrs. Bone, president; Mrs. Ellen Mae Curtis, vice-president; Miss Judy Barney, recording secretary; Mrs. Nancy Edgars, corresponding secretary; Mrs. Mary Jane Hastings, treasurer; and Mrs. Sandy Cook, extension officer.

Barbara Johnston, retiring president, Mrs. Frances Cuvur was installed as a new pledge. Plans for Founder's Day and the area convention were discussed.

#### MRS. VRENNICK HONORED AT FAREWELL DINNER

A surprise "farewell dinner" was given Wednesday for Mrs. Eileen Vrennick, who will leave April 1 to make her home at the Lake of the Ozarks. Mo. It was given by the Quilting circle of Nameoki Methodist Church.

She received a gift from the group. Special guests were her sisters, Mrs. Corine Hinson, Mrs. Hazel Thurau and Mrs. Dorothy Cuvur; her daughter-in-law, Mrs. Jean Ann Vrennick; and her sons, John and Steven Vrennick, and nephews, Jeffrey and Gregory Colligan.

The birthday of Mrs. Marie Long was observed and she received a gift from her secret pal.

Others attending were Mesdames Lucille Russell, Ena Potter, Marian Whitaker, Virgie Daniels, Alma Cowan, Dorothy Wallace, Ione Niemeyer, Villa Ridings, Dorothy Sinnott, Luan Briner, Violet Miller, Lucille Webb, Anna Alsop, Gladys Russell, Vivian Guks and guests, Mrs. Mary Bailey and Clarence Wallace.

### SIU-SW Summer Plans Include 19 Workshops

Nineteen special workshop programs and two National Science Foundation institutes will highlight Southern Illinois University's summer quarter program on the Southwestern campus.

Classes for the summer session start from June 17 to Aug. 31 at SIU-SW and at the East St. Louis center.

Special programs will include an art workshop for children aged seven to 11, a seminar on film as an idea medium, a workshop for physical education and recreation for the handicapped, and several others of interest primarily to teachers.

National Science Foundation institutes have been scheduled in mathematics and physics. The mathematics institute is for high school teachers who have been out of college for several years and need refresher training. The physics institute is for junior and senior high school teachers. Both groups will be selected from applications received in throughout the nation.

Complete class schedules are available through the registrar's office at SIU-SW.

Applications for admission to the summer quarter should be made by June 1. The normal academic load for the summer quarter is 16 quarter hours for undergraduates and 12 quarter hours for graduate students.

# Roca Club to Sponsor Dance Thursday Night

The Roca Young Men's club will sponsor a dance from 8:30 to 11:30 p.m. Thursday in the 300 Room of Tri Mor Bowl. It will be open to the public for an admission charge of \$1 per person. Bill Schermer, dance chairman, said today.

Music will be provided by "The Hoss and the Lords," the chairman reported, adding that proceeds derived from the dance will be used to further club projects.

# Coalition May Bridge Age Gap—Cong. Price

The Coalition for Youth Action, a U. S. Labor Department group of management interns, was strongly endorsed in a House speech Thursday by Cong. Melvin Price. He told his House colleagues the youth-run organization represents "a positive step toward improving communications between the ghetto and the government and for bridging the gap between

different age groups."

The coalition developed in January through efforts of a group of young Labor Department officials and was funded through Secretary of Labor Wirtz with a \$300,000 grant under Title I of the Manpower Development and Training Act.

It is designed "to involve young people from college campuses and from communities in helping solve some of the pressing domestic problems of poverty." Cong. Price explained.

Examples of coalition-funded projects administered by youth include employment information centers, recreation-tutoring and job preparedness centers. Usually the facilities are located in ghettos and are run by youth opportunity boards composed of college and ghetto youth.

"The thrust of the program," Price said, "is to utilize the talents of dedicated young adults with different social experiences in a common cause: easing the stigma of poverty."

The congressman disclosed that last week coalition officials had assisted representatives of Impact, an East St. Louis-based young adults organization, in exploring the prospects for young adult-organized-and-administered recreation and cultural programs in their locality. No announcement was made at the end of the conference; however, coalition spokesmen indicated they were impressed with the potentials the programs offered.

## Township Year Begins Tomorrow; Meetings April 2 Enable Voters to Directly Chart Government Course

(Township Officials of Illinois)

Tuesday, April 2, 1968, is Town Meeting Day—and might very well be called Democracy Day.

Town Meeting Day takes place in most Illinois communities, wherever township government is in operation. This meeting is called by the township administrator, or chairman. This meeting leader cannot be one of the township officials.

The first order of business is the supervisor's annual financial report, and reports from other elected officials, particularly the highway commissioner.

The new year's budget ordinance is presented, and submitted for approval by a majority of voters present. Amendments in the budget may be made and voted upon.

Approving or amending the budget, of course, affects the lifeblood of the township administration, and determines whether the administration can or cannot do during the forthcoming year.

This is quite a responsibility given to the attending electorate, and should be so treated by them.

It may have serious bearing on major township projects.

For example, if a township wished to set up a special board or commission—a health board, or commission, senior citizens commission, or the like—the township budget would include an appropriation for such a program.

If the voters approved the total budget, they would vote for the proposal involved. A budget amendment could become a "no" vote.

Following acceptance of the budget, the township levy for the coming year is proposed, and the auditor's report is presented. And, where else do citizens have anything to say directly about their tax rates?

Then the meeting is opened for "other business," which may involve local improvement, specific proposals for the highway department, or for public assistance.

Special projects may be introduced for consideration and, if needed, a special meeting requested.

Altogether, the electorate has 30 designated powers which may be exercised at a town meeting.

This represents a democratic privilege in a day and age of threatening centralization, bigness and remote control of government.

The least that an individual can do at these meetings is to vote on the operations of the township.

Once well enough acquainted with the problems, needs and resources of the township, individuals or groups can play a vital role in township government.

The fact that this democratic process is there to serve the township—its needs and interests by the citizenry—should be respected and encouraged. It is worth preservation. The greater the interest in and attendance at town meetings, the better chance such a goal will be accomplished.

So, mark April 2, 1968, on your calendar as the date to attend your town meeting.

This town meeting exemplifies democracy in action as it exists nowhere else in the world.

In 85 counties within Illinois, including Madison county, and the U. S., totally represents about 60% of the nation's population, township government continues to serve as a vital form of true democracy.

All other governmental units in this country are conducted on an electorate-representation basis. The people do not have a direct voice in governmental decisions, as they do in township government.

Why are town meetings held? What happens at them?

Why should you attend your own town meeting? What do you do there?

Preceding the annual town meeting, and throughout the year, township government is administered by the town board. The head of the town board is the supervisor. He and the town clerk and three auditors make up this administrative body.

The township fiscal year begins on the last Tuesday of March—this year March 26.

By this date, programs and budgets for the new year have been formulated and approved by the board.

One week later, the first Tuesday in April, the annual town meeting is called. This is a historic procedure in township government, dating back to its origin in the early 1600s.

The township electorate is properly notified and invited to this meeting, through announcements in the local newspaper.

Then the programs and budgets, as approved by the town board, are introduced to the attending electorate and are submitted for their approval.

Township citizens in attendance virtually become the township legislature, through their power of direct voting on proposals. Although no legislation as such is introduced at these meetings, proposals can be made which may modify any of those submitted.

Also, proposals for future consideration can be made, which subsequently may be passed upon at a special town meeting that can be called, or at the next annual meeting.

A special meeting may be requested by 15 or more voters, or by the town board, whenever such a meeting may be needed.

At the town meeting, whether annual or special, the town clerk calls it to order and then

requests the election of a moderator, or chairman. This meeting leader cannot be one of the township officials.

The first order of business is the supervisor's annual financial report, and reports from other elected officials, particularly the highway commissioner.

The new year's budget ordinance is presented, and submitted for approval by a majority of voters present.

Amendments in the budget may be made and voted upon.

Approving or amending the budget, of course, affects the lifeblood of the township administration, and determines whether the administration can or cannot do during the forthcoming year.

This is quite a responsibility given to the attending electorate, and should be so treated by them.

It may have serious bearing on major township projects.

For example, if a township wished to set up a special board or commission—a health board, or commission, senior citizens commission, or the like—the township budget would include an appropriation for such a program.

## Three-County Disposal Study Will Aid in Selecting the Best Method

There is a tendency in the U. S. to over-

study some problems, but the \$68,000 South-

western Illinois Planning Commission survey of tri-

county trash disposal seems wise due to the complex and expanding nature of the problem.

With the population climbing, space becoming more limited, air and water purity requiring increasing attention and the quantity of refuse increasing, society must develop better disposal methods than presently exist.

It is not yet clear whether the principal emphasis will be on landfills, composting, incineration or conversion into byproducts, such as building blocks.

Another question to be decided is whether disposal can be handled more efficiently and economically by private firms or governmental agencies; Madison county supervisors have discussed shouldering the task.

The study, which has 66% federal tax financing, should aid materially in finding the right answers.

Whether this concept should be expanded to include a joint squad to investigate major cases in Madison county is a matter worthy of exploration by interested municipal, railroad and university policies.

Certainly, the effectiveness of law enforcement in unincorporated areas and some cities and villages needs bolstering; the question will be whether detaching officers for cooperative investigations would excessively deplete present staffs.

What would be most desirable is a situation in which a wrongdoer could expect uniformly alert and able police regardless of which governmental boundaries he happened to cross in fleeing from a crime scene.

Criminals are highly mobile and knowledgeable today. Those who protect society from them must be equally efficient and informed.

Quadrant City's wish to salute Mayor Maeras and to hear an address by Gov. Otto Kerner, chairman of the National Advisory Commission on Civil Disorders and nominee for a U. S. Congress seat, is a just and important act soon in order to be sure of an opportunity to attend. The ticket committee is composed of Gene Daley, Henry Baucum, Harry Johnson and William Clinton.

Madison high school is lacking in industrial courses. It is a highly industrial area. The school district is also highly rated among poverty areas of the state.

I sincerely believe that the city hall politicians should all receive and deserve a big "double A" for their efforts.

Madison MAN

DEVOTED SERVICE TO MANKIND BY HOSPITALS

To the Editor:

I was thoroughly impressed with the beauty of the place. Everyone connected with it in any way is certainly to be commended and complimented.

The decor is lovely and the arrangement impeccable. My hats—and I have lots of them—are off to Cecil Cochran on her exceptionally good taste.

We need more business places in our town with beauty plus a homey atmosphere. Perhaps Cochran has started a trend.

FOR A BEAUTIFUL CITY

TO THE EDITOR:

I have been a resident of Madison for 45 years, and still am. I know a little about the way the city hall politicians handle city affairs.

The city has over \$250,000 in the treasury, and yet lives the highest tax rate in the Quad-City area, a rate of \$1.08 per \$100 valuation, year 1967.

It is my understanding that when a taxing body has surplus funds, no levy should be levied until such funds are depleted.

In the school election a few weeks away, and in all other elections, the people will have the opportunity to grade the record cards for the city hall politicians, and grade them on facts.

## Alert System Proposed to Avoid Harm From Stagnant Mass of Air

(Proposed addition to Illinois Air Pollution Control Board rules, on which the public may submit written testimony for consideration at a public hearing, beginning at 11 a.m. April 2 in the East St. Louis city hall.)

The warning system described below has been created to prevent high levels of air pollution or episodes which may cause acute harmful health effects.

It is intended that an air sampling network will be developed by air pollution control agencies to detect when high levels are approaching. A series of steps will be taken to observe and control these atmospheric pollution levels.

The warning and control system provided is intended to protect the public from unusually high levels of air pollution which persist for many hours.

The meteorological phenomenon which contributes to the development of these conditions occurs rather infrequently. It is known as a "stagnating high pressure air mass."

The occurrence of these regulations provide for control of the release of polluting materials to the atmosphere under normal meteorological conditions.

Ambient air quality readings at levels indicated on the chart will not activate the alert warning system under normal weather conditions.

The alert warning system will be activated when there is a prediction of a stagnating high pressure air mass, giving rise to the possibility of persistent high levels of pollution.

If the levels of pollution indicate the watch level, the alert will be increased, the first alert will be raised. Similarly, the second alert will be raised, as necessary.

Each stage of the alert requires more stringent action.

The system has been developed in the belief that there is a synergistic effect between particulates and other products, such as sulfur dioxide. Accordingly, the product value idea has been developed.

When the concentration of sulfur dioxide by particulate hourly averages will provide this product value. When the particulate level is low, a higher level of sulfur dioxide is permitted than when particulate level is higher.

An extensive review of the literature, including published medical reports, has been made prior to the development of this concept. There is no single medical reference which says these are the numbers to be used. The product values are the result of the best judgment of the state board.

They are based upon establishment of the watch, first and second alert levels with product values which are below those associated with adverse human health effects in acute air pollution episodes.

When weather conditions indicate an air pollution potential, regardless of the level of particulates, sulfur dioxide would not be permitted to exceed specified levels.

Once the pollution potential has been predicted, the watch alert level will not be activated unless these specified levels are reported for at least four consecutive hours.

Most likely areas of the state which could attain these watch and alert levels are the Standard Metropolitan Statistical Areas.

Records indicate that meteorological conditions conducive to acute air pollution episodes occur approximately once every two years in the Illinois area.

A table shows the minimum number of stations in an area which must show readings at specified levels before the system can be activated. It is desirable to have a representative air quality sample before initiating the system.

It is contemplated that other parameters may be incorporated in the warning system as further study indicates the need.

Air pollution watch procedures may be initiated by the Technical Secretary, Illinois Air Pollution Control Board.

## Price Supports Bill On Radiation Safety

Legislation to promote radiation safety in electronic products considered by the House last week drew qualified support from Congressman Melvin Price (D) East St. Louis. Rep. Price told the House, however, the bill "needed strengthening."

Rep. Price, chairman of the prestigious Joint Atomic Energy subcommittee on research, development, and radiation, said: "I believe the proposed legislation is generally well conceived, necessary and deserving of enactment, but needs improvement."

The ranking Joint Atomic Energy committee member proposed strengthening the bill by requiring the Secretary of Health, Education and Welfare to consult with the Federal Radiation Council and the National Council on Radiation Protection and Measurements on "formulating performance standards to control the emission of radiation from electronic products."

The bill as reported from the Interstate and Foreign Commerce committee does not include such provisions.

In support of his recommendation for greater coordination of Federal radiation safety efforts, Rep. Price cited provisions of the Atomic Energy Act which direct the Federal Radiation Council to provide technical assistance to all federal agencies with respect to radiation standards.

## Vet Job Rights Bill Gets Nod

A subcommittee of the Armed Service committee of the House of Representatives, chaired by Rep. Melvin Price (D) East St. Louis, heard testimony last week on a bill introduced in the Congress by Rep. Price which would strengthen the reemployment rights of war veterans after they return to civilian life.

Rep. Price commented after the open hearings that the bill had received a "favorable response" from those who testified.

The Price bill would specifically protect Reservists and National Guardsmen who are often disadvantaged in reobtaining employment after returning from special call up in times of crisis. The bill would also extend the period from four to five years during which a serviceman can serve on active duty without losing his reemployment rights.

Rep. Price is optimistic that his bill will obtain favorable consideration in each House of the Congress during this year. The congressman pointed out that a similar bill was introduced in the House of Representatives in 1966 during the 89th Congress, but was not discussed in the Senate because of the crowded congressional calendar. Rep. Price hopes this will not happen this year because all Senators and Representatives will recognize that the problem attacked is more serious under present military circumstances.

## Mental Health Week

## Open House Set April 28 At Alton State Hospital

The central committee for open house at Alton State Hospital were reported today at a meeting of all administrators and supervisory personnel by the chairman of National Mental Health Week, Mrs. Margarita Vosak, chief social worker.

The open house will be held Sunday, April 28, from 1 to 4 p.m., and all facilities within the Department of Mental Health will observe this date prior to Mental Health Week, which is 10 days in length, April 28 through May 7.

The entire event is patient focused, and the community is invited to join the celebration, which will tie in the Illinois Sesquicentennial and the golden anniversary of Alton State.

Each unit of the hospital is planning to preview various aspects of the therapeutic treatment program, including tours, craft demonstrations, and also hospital volunteerism.

A special day, Wednesday, May 1, has been scheduled during which staff will have a "volunteer tea" to thank you for the many services to patients.

"Mental Health Yesterday and Tomorrow," has been selected as the slogan.

The central committee has planned entertainment for the afternoon which will be held on the lawn directly in front of the recreation hall. Entertainment will depict eras of Illinois history, as well as the decor of the

grounds. Civic groups, mental health associations and clinics, as well as other agencies, will have display booths in the recreation hall, along with various hospital department displays. Many local personalities will be featured entertainers, however, the program will be announced at a later date.

Mrs. Vosak said, "It is the consensus of the open house committee, that the day should be one for the patients to share in and enjoy during the state's 150th birthday year, as well as the hospital's golden anniversary."

We encourage the community to join us for an afternoon of entertainment and participate in learning experience by visiting the hospital. The community is a vital part of the overall treatment program in helping staff blaze new trails to better mental health."

Daily tours will be arranged through the public information office April 29 through May 3. (Call 465-5583, Ext. 360.)

## American Bank Plans 'Bankmark' Card Use

Harold F. Karandjeff, president of American National Bank, today announced that by mid-summer the bank will issue a new and advanced charge card called "Bankmark."

"There has been ever-increasing acceptance of charge cards, and in particular Bankmark cards," Karandjeff said. "In line with this trend we want to offer our customers the latest and most advanced charge card system available. We believe we have found it in Bankmark."

"This is a local system, geared to our local business practices, and as an added feature, the Bankmark charge card also will be good throughout Missouri and Southern Illinois."

Not just an entertainment and travel card, Bankmark can be used for everything from shoes to airlines, to automobile repairs, to beauty shops, he said. Instead of being encumbered by numerous small bills, the cardholder will be able to budget family expenses with one low-cost monthly payment.

If he pays within 25 days of billing, there is no service charge, Karandjeff said. An optional monthly payment plan is also available. In addition, Bankmark will be honored for instant cash loans up to \$100.

Local merchants will sign up beginning May 1. They will receive immediate cash credit in American National Bank for all Bankmark sales, permitting them to make maximum use of their operating capital.

For maximum efficiency and security, all Bankmark participating banks will be served by Credit Systems Inc. This single non-profit corporation will issue all cards, process all sales tickets and do the billing for all participating banks.

Area Horticulturist

### Returns from Gardening

Does it pay to grow your own fruit and vegetables? If you keep records, if you give a fruit plant the recommended care, and if you count your time worth \$1.50 an hour, then you would find that your plantings of strawberries, raspberries, grapes and most vegetables are profitable. You would find that your tree fruits do not pay out. In fact, you would find that your apples and peaches would cost you \$8 to \$10 per bushel. You can buy these fruits cheaper than you can grow them!

The home garden is a real "paying proposition" only if you enjoy the work and give the plantings the required care at the time it is needed. Under these conditions you are operating the garden as a hobby and no one expects the hobby to pay out. If you do not have the time to care for the garden or operate it as a hobby, you should remove the trees and plants. Neglected plants serve as a source of disease and insect contamination for neighboring plantings that are cared for.

### Spraying for Insects, Diseases

Controlling insects and diseases is one of the necessary steps in producing fruit and vegetables of suitable quality. It is not practical for a home gardener to follow a spray schedule such as is used by a commercial grower. However, spray programs can be adapted to prevent major insect and disease injury. The timing and thoroughness of coverage is reflected in the number of clean fruits and vegetables harvested.

Many chemical companies are selling "all-purpose" sprays. These are available in one package and are ready to mix with water as directed on the container label. Most sprays will usually contain one or two fungicides and two or more insecticides.

Keep in mind that these all-purpose sprays are not effective as a dormant spray, nor does the term all-purpose mean that one spray will last all season. Be prepared to use one of these all-purpose sprays in

your garden this summer. And for best results, plan a weekly spray program.

### New Club Hobbyists

A favorite pastime of many gardeners is the exchange of ideas, seeds and stories. Garden Clubs are organized in many communities for this purpose.

Now a national organization for hobbyist fruit growers has been formed. This is the North American Fruit Explorers. It was organized in 1967 to make hobby fruit growing more interesting.

Information on this and other horticultural organizations can be obtained from my office at 900 Hillside Avenue, Edwardsville.

### Shot Fired into House

Mantancil Harrell, 1125 Logan street, Venice, reported to police at 9 p.m. Thursday that a shot was fired through a front window of his home. Police recovered the bullet which lodged in the east wall of the front room and said it appeared to be either of .38 or .45 caliber. A neighbor told police she heard the shot and saw four youths run from a nearby field, get into a car and drive away.

## PTA Council Seeks Award Nominees

The Granite City Area PTA Council is asking local PTA units to resubmit the names of candidates for the council's annual "Life Membership Award."

The award, normally presented at the PTA Recognition and Application Dinner each February, was withdrawn this year due to the nominee selected being ineligible.

Deadline to submit nominations for the PTA Council's top honor is April 18, Lee Reid, award selection committee chairman, announced today. The names of candidates, together with their resumes, should be mailed to Reid, at 2450 Waterman Avenue, by the April date. The Life Membership will be presented in May, the chairman said.

## Medical, Dental Cost Tax Deduction Changed

If you are itemizing deductions on your federal income tax return, are you aware of certain changes that have been made in the allowance of deduction for medical and dental expenses? If not, you may be overlooking certain benefits to which you are entitled.

Changes in the law permit all taxpayers who itemize their deductions to deduct half of the premiums paid for medical insurance up to \$150 without regard to the 3% limitation.

The remainder of the medical insurance premiums can be included with other medical expenses and deducted, provided the total expenses exceed 3% of adjusted gross income.

However, he said, taxpayers 65 and over can no longer deduct their total costs for medical and dental expenses. Medicine and drugs may be claimed as a deduction only to the extent the expense exceeds 3% of adjusted gross income.

The excess is then added to the other medical and dental expenses paid during the year. This total is then reduced by 3% of income; the remainder is deductible as a medical expense.

The \$3 monthly payment for medical insurance under the Medicare program qualifies as a medical expense, Philpott said.

Taxpayers are also reminded to file their refund returns directly with the Internal Revenue Service Center, Kansas City, Mo. 64170. All other returns should be mailed to Internal Revenue Service, Springfield, Ill. 62705.

## Madison Board Plans Summer School, Tuition

The Madison board of education provided for continuation of summer school and head start programs, tuition for students living outside of the district and an extra day on the school calendar for high school students during a meeting Thursday night.

Six weeks of summer school will begin June 3 for elementary grades and June 5 for high school students.

The third year of the head start program, to include 11 classes in the Madison and Venice school districts, will be held June 17 to Aug. 5.

Wade James of Dunbar school will be in charge, and all school buildings will be utilized, according to Supt. Raymond Dragich.

Madison high school will be in session April 11, the Thursday before Easter, to make up one day of two lost during last year's difficulties when the school was closed last fall.

The decision was made to full-fill calendar requirements under the state school code. The holiday will remain in effect for elementary school students.

Students residing outside of the school district will pay tuition starting with the 1968-69 school year. The per capita cost in the district is \$488 per pupil, and about \$500 will be charged an outside family sending one of its children to district schools.

The summer building program will stress compliance with the state fire safety code for school buildings, Supt. Dragich reported.

Plans and specifications are expected from school architect Virgil Dulgeroff this spring, when bids will be called for and contracts awarded.

Supt. Dragich said the work will cost about \$100,000 and must be completed by 1970, and about \$50,000 will be spent on the most urgent work this year. The most expensive improvements will be enclosing staircases with glass, he said.

The board approved plans to hold an annual district band contest at Madison high school on March 30 and authorized the Band Parents Association to serve lunches in the cafeteria. Food will be prepared outside of the school.

About 1800 students are to participate, Supt. Dragich reported.

A program for gifted students

will center on the language arts, stressing the English language, for students from grades seven through 12, according to a special report by John Paltrich, administrative assistant and curriculum director.

Selection of students on the basis of intelligence quotient scores of 110 and above resulted in a pool of talent of 159 students, including 13 at Dunbar, 44 at Madison junior high school and 102 at the senior high school.

Paltrich said that the plan currently is to have gifted classes of about 20 students at every grade level.

Material presented will be an enrichment of that covered in regular English classes. It will provide opportunities for the students to go more deeply into any given study area and to take more advanced work than the average students.

Mrs. Margaret Connole is chairman of the program. Other teachers and principals working in the program include Albert Collins and Dorothy Patton of Dunbar, Diane Jolley, Elaine Shipcott and Margaret Rehagen at the junior high school, and George Hopkins, Jean Bethel, Melvin Heiser, Robert Mellich, Mae Waters and Edwin Barton at the senior high school.

The board accepted the resignation of Mrs. Deloise Norsworthy, fifth grade teacher at Dunbar school, effective March 28, and filled the vacancy by employing Mrs. Ann Hampton for the remainder of the year.

As the board is considering obtaining an accounting machine for the administration of the National Cash Register Co., explained features of its equipment and offered a purchase price of \$7900 or rental of \$208 per month.

Ray Kozielek, school treasurer, reported that a total of \$735,624 in 1966 taxes was collected for the 1967-68 school year. Included was \$629,391 from Venice township, \$106,213 from Nameoki township and \$200 from Granite City township.

His monthly treasurer's report showed March 1 cash balances of \$78,145, plus a \$200,000 investment in the educational fund, a deficit of \$108,128 in the school lunch fund, \$98,323 in the building fund and \$45,906 in the bonds and interest fund for a total of \$422,179.

## Letters Outline NAACP Proposals, Views of Board

The Madison chapter of NAACP failed in efforts to gain immediate negotiated sessions with the Madison board of education aimed primarily at full integration of all schools during a board meeting Thursday night.

Members of the board repeatedly said that under the law, any decision made during the next month could not be binding on a new board to be organized at its April 18 meeting.

There is competition for two positions in the April 13 school election. The board consists of nine members serving staggered three-year terms.

On a motion by William Schreiber, the board decided that any meeting with the NAACP group should be held after the election.

However, Charles Hampton, one of the NAACP members attending the meeting, charged that the decision was based on "politics." He urged a meeting at any time of the day or night as soon as possible.

**Proposals Outlined**  
The NAACP presented nine demands to the board in an unsigned letter, and the board responded with a letter explaining its policies on each point.

It was addressed to Mrs. Thomas Weston, president of the NAACP chapter, and signed by Supt. Raymond Dragich and each member of the board.

John Belloff, former board president, stressed that "I think the board is striving to do everything it can according to the regulations and laws by which we are governed. As students and parents that we can."

Mrs. Weston charged that after an agreement ending a high school attendance boycott last November, no discussions have been held with the board on complaints filed by the NAACP.

Board members replied that they had received no formal request for such a meeting.

**Prevent "Hot Summers"**  
"People ask me questions," Mrs. Weston said. "We would like to inform them of our progress. The most wonderful thing anyone can do is prevent this before it happens. We must prevent these hot summers and falls and winters."

Board member Harold T. Fisk remarked that "we would be willing to meet with any group."

The NAACP proposals included:

Additional Negro cheerleaders, inclusion of Negroes on the MHS color guard, transportation for extracurricular activities, inclusion of Negro ministers and educators in graduation ceremonies, an additional cook at Dunbar school, Negro representation on the school board, a PTA for MHS, total integration, and inclusion of Negro history in the social studies curriculum.

**Policy Statements**  
In its policy statements, the board informed the NAACP chapter that:

The next cheerleading squad selected in the spring will be increased to eight members, to include at least three Negroes; a color guard will not be continued unless a suitable sponsor is found; a Negro minister will be included in graduation ceremonies, but the main speaker has already been selected.

Transportation for extracurricular activities will be provided only for members of athletic teams; an additional cook at Dunbar is not needed as there is insufficient participation in the lunch program at the school; Negroes on the school board are a matter of elective process; the board supports the PTA program but it is not a board function.

On integration and other demands, the board policy is in compliance with Illinois school law, the board's letter said, and the board will not create a position unless it is needed.

Negro teacher appointments will be given the same consideration as other applicants; Negro history will be included in the curriculum because state law provides for this, the letter added.

## Draft Questions . . . And Answers

Answers to the most frequently asked questions concerning the draft are being answered by the Madison county selective service office, with the cooperation of the state headquarters staff at Springfield.

The county office is located at 132 North Kansas street in the new post office building at Edwardsville. Its telephone number is 1-656-8584.

The third series of questions and answers follows:

**Q:** What requirements must I meet to qualify for a II-S classification as an undergraduate college student?

**A:** You must file a written request with your local board for deferment as an undergraduate college student. Additionally, you should have your school send a Student Certificate of enrollment to the board providing evidence that you are satisfactorily pursuing a full-time course of instruction at that institution.

**Q:** How does the Selective Service System define the phrase "satisfactorily pursuing a full-time course of instruction" when the deferment of undergraduate college students is being considered?

**A:** To be considered "satisfactorily pursuing a full-time course of instruction" an undergraduate student who is taking a four-year course should earn 25% of the credits required for his baccalaureate degree at the end of his first academic year, 50% at the end of his second academic year, and 75% at the end of his third academic year. In the case of a baccalaureate degree for which 5 years of study are prescribed by the institution, a student should earn 20% each year of the total credits required for the degree.

**Q:** What is meant by a "student's academic year"?

**A:** In determining eligibility for classification in Class II-S (college student), a student's academic year shall include the 12-month period following the beginning of his course of study.

**Q:** What are the limitations, if any, on how long a person can be deferred as an undergraduate college student?

**A:** A registrant can be deferred in Class II-S as an undergraduate college student until he satisfies the requirement for his baccalaureate degree if he complies within the normal and specified time, fails to pursue satisfactorily a full-time course of instruction, or becomes 24 years of age, whichever occurs first.

**Q:** Will registrants who become fathers after the new Selective Service law became effective be deferred in Class III-A?

**A:** Every case is considered on an individual basis, hence an all-inclusive answer cannot be given. The only change made in eligibility requirements for deferment as a father (Class III-A) under the Military Selective Service Act of 1967, as compared with the former Universal Military Training and Service Act, is the addition of a restriction that registrants who are classified in Class III-A after the new Selective Service law went into effect (June 30, 1967) shall not be eligible for classification in Class III-A as fathers but may qualify on the basis of hardship to dependents.

**Q:** How does the Selective Service System define the phrase "satisfactorily pursuing a full-time course of instruction" when the deferment of undergraduate college students is being considered?

**A:** To be considered "satisfactorily pursuing a full-time course of instruction" an undergraduate student who is taking a four-year course should earn 25% of the credits required for his baccalaureate degree at the end of his first academic year, 50% at the end of his second academic year, and 75% at the end of his third academic year. In the case of a baccalaureate degree for which 5 years of study are prescribed by the institution, a student should earn 20% each year of the total credits required for the degree.

## Vehicle Abandonment

Charges of abandoning vehicles were filed at 10 a.m. Friday against Shirley A. Meyers, 2437 St. Clair avenue, and Max G. Schaeffer, 2309 Wilson avenue.

The ten-day postponement of Granite City park district's eighth annual "Winter Carnival" failed to dampen the spirit and enthusiasm of nearly 400 youngsters who performed in the showcase of talent Thursday evening at Granite City high school's Memorial Gymnasium.

Previously set for March 12, but rescheduled last week after an unexpected snowstorm hit the Quad-Cities on the original date, the carnival event attracted an audience of 1200 persons, according to Harold Brown, park superintendent. Attendance was somewhat less than in previous years when capacity crowds of 2000 and more persons viewed the proceedings.

Park district activities presented during the two-hour show, included wrestling, baton twirling, pre-school singing, square dancing, gymnastics and tumbling and a basketball free-throw contest.

William Koryak, park board vice-president, acted as master-of-ceremonies, and Park Commissioner Milton Worthen welcomed the guests.

Part of the program included presentation of trophies to local park officials by participants in the March 2 "Recreation Day" meet, in which Granite City took third place, and the park district-sponsored invitational wrestling meet, held March 8 and 9, when local youngsters captured a second place.

Directing the show were Ron Dillard, park athletic director, Mrs. Helen Bjorkman, Miss Marilyn Champion, Miss Charlene Graham, Bruce Thompson, Miss Clabbe Ingram, Tom Skubish, William Hodshire, Don Graville, Norman Martinez, Norman Brokaw, Al Sonnenberg, Mrs. Ruby Mayberry, Miss Cheryl Graham, Miss Deborah Scaturro and Miss Barbara Brandt.

## Farm Column

By CHARLES W. RAYBURN  
Assistant Extension Adviser

The recent mild weather is bringing many home gardeners out of a winter's hibernation. I'm sure that many gardeners are purchasing fertilizer and insecticides to use this summer. Remember, don't use the same insect control methods on your vegetable garden as you would use on field crops. Aldrin and heptachlor should not be applied to the garden area. Dieldrin is an effective soil insecticide that can be used at the rate of one ounce per 1000 square feet and worked into the soil about 2 inches deep.

For chewing insects that feed on vegetables, use carbaryl (Sevin). If sucking insects, such as aphids, are a problem, apply malathion. University of Illinois Circular 900, "Insect Control by the Homeowner," gives more detailed information about insect control. This circular and several others on gardening can be obtained free of charge from the Extension office, 900 Hillsboro avenue, Edwardsville. The phone number is 686-7200.

When using pesticides, always remember that a chemical capable of killing weeds and insects can take a human life if improperly handled. Always read and follow the directions listed on the label and keep out of the reach of children.

**Shoot Zone vs. Root Zone**  
Ellery Knake, Extension agronomist, discussed some interesting herbicide research at the recent custom spray operator's school held at the University of Illinois. The research indicates that placing herbicides in the "shoot" zone—rather than the "root" zone—may greatly improve herbicide effectiveness.

Knake and his fellow workers tested 11 different herbicides in contrasting plant foliage. He said that all 11 herbicides tested produced more effective control when placed in the shoot zone rather than in the root zone and the herbicides were equally as effective as they were when placed in the seed zone.

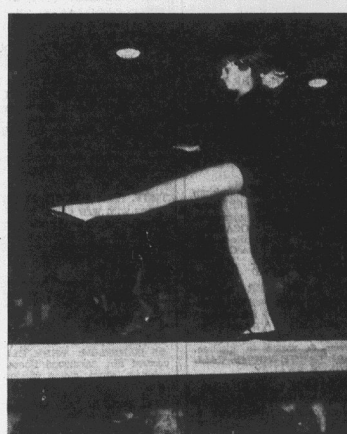

Knake defined the plant shoot as any part of the plant above the seed.

## GC Optimists Hear About Business and Tension

"How Businessmen Can Live with Their Tensions" was the general topic of a talk given Thursday afternoon before Granite City Optimists by Dr. Dewey L. Mathews, chief psy-

chologist with the Mental Health Society Quad-City Center.

Before outlining symptoms of stress and strain, Dr. Mathews said there was no one formula to answer the problems, but that one was to overcome the pressures of business that lead to depression and unnecessary worry is to break the routine whenever possible.

The stress symptoms are, he said, irritability, loss of appetite and constant thoughts of the past.

A measuring stick, he explained, is that if in a period of several months an individual has had more bad days than good days, "then you need help. Short cycles are normal."

He added that it is the self-sufficient persons who wait too long and then end up being hospitalized.

In outlining the work of the clinic here, Dr. Mathews said the staff is trying to speak as much as possible to community groups to encourage people to get help before they need hospitalization. In February, 350 persons were aided at the clinic which averages three new patients a day.

The Optimist luncheon meeting at the YMCA was attended by 25 club members and a guest Steve Senev, who was there with Herman Muehl-er, Club President Raymond Troyer presided.

The next meeting will be a 6:30 dinner at the Elks Lodge.

## Denies Report He is Backing Candidate

Harold Fay, East Alton, said Friday that a report that he was associated with a citizens committee promoting the campaign of Terry Francis, Granite City attorney seeking election as state representative of the 55th district, is erroneous. Fay was included on a list of supporters announced recently by Francis.

Fay said he is "not a part of any committee to seek the endorsement in behalf of any candidate for any office." He said that he has stated many times that "only after the 24th District Committee on Political Education (COPE) endorses a candidate will I then work for those endorsed candidates."
